

If It Was ...

Antonia Micalizzi*

IF it was a color
it would be red,
determined and resolute.

If it was a plant
it would be an evergreen,
always full of sap.

If it was an animal
it would be an eagle,
able to fly higher and see dangers.

If it was a sport
it would be football
expert on teamwork.

If it was a sense
it would be the eyesight,
alert and watchful.

If it was a film
it would be “Dead Poets Society”
because he must seize the day.

If the question was “who is it?”
the answer will be “the anesthesiologist!”
