

# ANESTHESIOLOGY

## Volume 13

### INDEX OF SUBJECTS

\* Asterisk indicates titled subjects of articles

- ACTH, effect on pentothal reaction, 86\*  
Alcohol, effect on spinal headache, 496  
Alcoholism, treatment with pentothal, 86  
Alkalies, effect on spinal anesthesia, 234  
Anatomy, of lung, 130\*  
Anesthesia,  
  block, 429\*, 465\*  
    lumbar, 207\*  
    paravertebral, 207\*  
    peridural, 488\*  
    sciatic nerve, 207\*  
    segmental peridural, 488\*  
    sympathetic, 207\*  
    therapeutic, 207\*  
  depth,  
    effect on circulation, 163  
    relation to shock, 540\*  
  effect on extracellular fluid, 374\*  
  endotracheal, heart during, 163\*  
  for bronchoscopy, 169\*  
  for burned patients, 65\*  
  for cardiac surgery, 38\*  
  for children, 77\*, 226  
  for endoscopy, 169  
  for neurosurgery, 343\*  
  for poor risk patients, 416\*  
  for rhinoplasty, 94\*  
  for thoracic surgery, 23\*, 147\*  
  fractional spinal, 416\*  
  induction, evipal for, 193\*  
  intratracheal, effect on circulation, 346\*  
  local, prolonged, 306\*  
  nasopharyngeal administration of, 552\*  
  nonbreathing method, 77\*  
  regional, 465\*  
  regional spinal, 397\*  
  relation to asphyxia neonatorum, 525  
  respiratory patterns during, 119\*  
  segmental spinal, 416\*  
  spinal, 397\* 429\*  
    complications after, 103\*, 189\*  
    defense of, 407\*  
    duration of, 231\*  
    fractional segmental, 416\*  
    non-anesthetic substances in, 231\*  
    pressor agents during, 89\*  
    specific gravities in, 184\*  
  topical, 465\*  
Anesthesiologist, as clinician, 108\*  
Anesthesiology  
  biometry in, 1\*  
  doctor-patient relationship, 545\*  
  lure of, 322\*  
  practice of, 435\*  
Anesthetics,  
  local,  
    sterilization of, 441  
    toxicity, 577\*  
  spinal, effect of temperature, 184\*  
  vaporizer for, 587\*  
Anoxia, neonatal, 518\*  
Apparatus,  
  arm guard, 326  
  cardiotachoscope, 62\*  
  Duke University inhaler, 646  
  for bone marrow infusion, 303  
  home-made resuscitator, 438  
  laryngoscope blade, 225  
  mechanical respirator, 23\*  
  micro-atomizer, 173  
  mirror cannula, 174  
  nasopharyngeal anesthesia, 552  
  nonbreathing mask, 226  
  oxygen nostril insert, 390  
  pneumatic balance respirator, 113\*  
  spectrometer, 455\*  
  trichlorethylene inhaler, 646  
  vaporizer for liquid anesthetics, 587\*  
  ventigrator, 23\*, 572  
Asphyxia, neonatorum, 518\*  
  Atomizer, micro, 173  
Banthine, preoperative use of, 158  
Biometry, in anesthesiology, 1\*  
Blood,  
  coagulation, effect of curare, 594\*  
  ether concentrations in, 361\*  
  Rh factor, 608\*  
  transfusion,  
    arterial, 624  
    positive pressure, 621\*  
    rapid, 623  
    Rh factor in, 610  
  Blood pressure, infant, 648  
  Bone marrow, infusions via, 501\*  
  Bronchi, effect of curare on, 275\*

- Bronchoscopy, anesthesia for, 169\*
- Bucking, danger of, 347
- Burns, treatment, 65\*
- Capillary refill, relation to blood pressure, 648
- Carbon dioxide, effect on respiration, 127
- Cardiotachoscope, 62\*
- Cedilanid, effect on heart rate, 156
- Cerebrospinal fluid, effect of demerol, 281\*
- Chin jerk,
- 2-Chloroprocaine hydrochloride, 287\*
- Circulation,
- during neurosurgery, 343\*
  - effect of bucking, 347
  - effect of extubation, 346
  - effect of pentothal, 345
  - effect on anesthesia, 38\*
  - peripheral, 474\*, 628\*
  - reflex changes, 349
- Coarctation of aorta, circulatory factors, 50\*
- Cold, effect on peripheral circulation, 476
- Complications,
- inspiratory laryngeal stridor, 327
  - nausea, treatment, 302
  - post-spinal anesthetic, 103\*, 189\*, 496\*
  - vomiting, 302, 354\*
- Convulsions, during pentothal anesthesia, 87
- Corporate practice of professions, 642
- Curare,
- acetylcholine antagonism, 615\*
  - bronchoconstrictor action of, 275\*
  - effect on blood coagulation, 594\*
  - effect on smooth muscle, 615\*
  - postoperative use of, 370
  - preoperative use of, 370\*
  - use in tetanus, 599\*
- Cyclaine (see hexylecaine)
- Demerol, effect on spinal fluid pressure, 281\*
- Dextrose, use with spinal anesthesia, 232
- Dibucaine, toxicity, 578
- Digitalis, effect of procainyl on action, 154
- Dilaudid, n-allylnormorphine antagonism, 244
- d,l-alpha-1,3 dimethyl-4-phenyl propionoxy-piperidine (see nisentil)
- Dramamine, effect on vomiting, 302\*, 354\*
- d-tubocurarine (see curare)
- slow absorption, 370\*
  - vasoconstrictor action of, 275\*
- Duke University inhaler, 646
- Editorials, 108, 221, 322, 435, 545, 642
- Efocaine, 306\*
- Electrocardiography,
- during chest surgery, 147\*
  - during general anesthesia, 361\*
- Electrolytes, excretion of, effect of saline, 374\*
- Ephedrine, spinal anesthetic effect of, 237
- Epinephrine,
- effect in local anesthetic reaction, 582
  - spinal anesthetic effects, 237
  - with procaine intrathecally, 237
- Ethanol, effect on headache, 496\*
- Ether,
- concentrations, in blood, 361\*
  - hyperglycemia, 33\*
  - respiration studies, 252\*
- Ethyl chloride, effect on heart, 197\*
- Evipal, induction with, 193\*
- Explosions, role of shoes in, 203\*
- Extubation, effect on heart, 163\*
- Flaxedil, for intubation, 437\*
- Gas analysis, 455\*
- Gastric intubation, 229\*
- Glucose,
- effect on spinal headache, 496
  - with spinal anesthetic, 232
- Headache, treatment, 103\*, 189\*, 496\*
- Heart,
- during surgery, 62\*
  - during thoracic surgery, 147\*
  - effect of ethyl chloride, 197\*
  - effect of extubation, 163\*
  - effect of procaine amide, 510\*
  - effect of vinyl ether, 197
  - operations, 38\*
- Hexylecaine hydrochloride,
- regional block with, 429\*, 465\*
  - topical anesthesia with, 465\*
- Hyperglycemia, effect of premedication, 33\*
- Infusions, intramedullary, 501\*
- Intubation,
- effect on cardiac rhythm, 155
  - flaxedil induction for, 437
  - heart during, 163\*
- Kidney, effect of saline, 374\*
- Larynx, relation to respiratory physiology, 131
- Lung,
- absorption of local anesthetics by, 581
  - anatomical anatomy of, 130\*
- Meperidine, 242\*
- Methadone, n-allyl normorphine antagonism, 244
- Methoxamine hydrochloride, use during spinal analgesia, 89\*
- Micro-atomizer, 173
- Mirror cannula, 174
- Morphine sulfate,
- antagonism, 242\*
  - effect on hyperglycemia, 33\*
- Muscle, circulation through, 628\*
- N-allyl normorphine, opiate antagonist, 242\*
- Nausea, effect of dramamine, 302\*, 354\*
- Neurosurgery, circulation during, 343\*
- Nisentil, effect on rabbit fetus, 71\*

- Nitrous oxide, effect on electroencephalograms, 361\*
- Norepinephrine, with spinal anesthetics, 237
- NU 1196 (see nisentil)
- Nupercaine, with procaine, 235
- Oxygen, therapy, 390\*
- Pain, postoperative, effect of curare, 370\*
- Pantopon, n-allyl normorphine antagonism, 243
- Patent ductus arteriosus, circulatory factors, 38\*
- Pentobarbital, effect on hyperglycemia, 33\*
- Pentothal, delayed reaction to, 87 effect on circulation, 345 respiration studies, 252 use in alcoholism, 86
- Peripheral vascular disease, 474\*, 628\*
- Phenylephrine, effect in local anesthetic reactions, 583
- Pituitrin, with procaine, spinal anesthesia, 237
- Pneumatic balance respirator, 113\*
- Pontocaine, for bronchoscopy, 169\* with procaine, spinal anesthesia, 235
- Posture, effect on circulation, 345
- Procaine amide gulesonate, preanesthetic medication with, 510\*
- Procaine, hydrochloride, spinal anesthesia, non-anesthetic agents with, 232 pontocaine with, 235 vasoconstrictors with, 236
- Pronestyl, effect after digitalis, 154
- Respiration, during ether anesthesia, 252\* during pentothal anesthesia, 252\*
- fetal, effect of nisentil, 71\* inadequate, effect on circulation, 347 mechanical control of, 23\* minute volume, measurement, 571\* neonatal, 114\* patterns during anesthesia, 119\* postoperative, 142\* preoperative, 142\*
- Rh factor, 608\*
- Saline solution, intravenously, 374\* intrathecally, 103\*
- Seconal, n-allyl normorphine antagonism, 244
- Shock, relation of depth of anesthesia, 540\*
- Shoes, role in explosions, 203\*
- Spectrometer, portable, 455\*
- Spinal fluid, specific gravity of, 115\*, 184\*
- Statistics, value in anesthesiology, 1\*
- Suction, endotracheal, effect on heart, 163\*
- Sulfur hexafluoride, anesthetic properties of, 605\*
- Sympathectomy, recovery of function following, 481
- Temperature, effect on anesthetic solutions, 184\*
- Tetanus, treatment, 599\*
- Tetracaine, toxicity, 578
- Tetralogy of Fallot, circulatory factors of, 43\*
- Thiopental, reactions, treatment with ACTH, 86\*
- Trichlorethylene, test for safety, 553
- Tubadil, 370\*
- Venous pressure, during anesthesia, 297\*
- Ventigrator, 23\*, 572\*
- Vinyl ether, effect on heart, 197\*
- Vomiting, effect of dramamine, 302\*, 354\*

INDEX OF AUTHORS AND TITLES OF ORIGINAL ARTICLES

	PAGE		PAGE
Adriani, John: Effects upon the duration of spinal anesthesia combining non-anesthetic substances with the agent	231	Ansbro, F. P.: Development of efocaine, a new approach to prolonged local anesthesia	306
Electrocardiographic changes during ethyl chloride and vinyl ether anesthesia in the dog and man	197	Arrowood, J. G.: Prevention of headache following spinal anesthesia. The use of epidural saline; a preliminary report	103
Allen, C. R.: Function of the Anesthesiologist in the management of the patient with extensive burns	65	Barendriek, E. H.: Venous pressure during surgical anesthesia. A preliminary report	297
Allen, J. G.: Effect of d-tubocurarine on blood coagulation time	594	Berard, William: Thiopental (Pentothal) reactions and their treatment with ACTH	86
Anderson, Elizabeth: Clinical use of cyclaine (hexyleaine hydrochloride) for spinal and regional nerve block: report of 2000 cases	429	Bishop, H. F.: Venous pressure during surgical anesthesia. A preliminary report	297
Anderson, LeG.: Use of parenteral dramamine to control postoperative vomiting: a report of 1192 cases	354	Bittenbender, G.: Electrocardiographic	

- changes during ethyl chloride and vinyl ether anesthesia in the dog and man ..... 197
- Bødell, B.: Development of efocaine, a new approach to prolonged local anesthesia ..... 306
- Brown, Seymour: Fractional segmental spinal anesthesia in poor risk surgical patients: report of 600 cases ... 416
- Buckley, J. J.: Management of severe systemic tetanus ..... 599
- Portable mass spectrometer for continuous alveolar gas analysis: certain technical considerations inherent in its use ..... 455
- Burstein, C. L.: Evipal for induction of anesthesia ..... 193
- Preanesthetic medication with procaine amide. A preliminary clinical report ..... 510
- Bush, O. F.: Electrocardiographic changes during ethyl chloride and vinyl ether anesthesia in the dog and man .... 197
- Carabelli, A. A.: Use of pontocaine in subposologic quantities for bronchoscopy and bronchography ..... 169
- Ciliberti, B. J.: Venous pressure during surgical anesthesia. A preliminary report ..... 297
- Cole, Frank: Defense of spinal anesthesia ..... 407
- Converse, J. G.: Electrocardiographic changes during extubation. A study of electrocardiographic patterns during endotracheal anesthesia including those seen during intubation, endotracheal suction, and particularly extubation ..... 163
- Quantitative evaluation of the bronchoconstrictor action of curare in the anesthetized patient: a preliminary report ..... 275
- Corder, V. W.: Preoperative and postoperative respiratory studies ..... 142
- Crawford, Elizabeth J.: Changes in extracellular fluid volume, renal function, and electrolyte excretion induced by intravenous saline solution and by short periods of anesthesia ..... 374
- Dabbs, C. H.: Regional spinal anesthesia utilizing the continuous spinal technique of Tuohy ..... 397
- Davis, Harold: Densities of common spinal anesthetic solutions at body temperature ..... 184
- Demorest, H. L.: Portable mass spectrometer for continuous alveolar gas analysis: certain technical considerations inherent in its use ..... 455
- De Polo, E. J.: Experiences in the use of general anesthesia for corrective rhinoplasty ..... 94
- Derrick, W. S.: Device producing regulated assisted respiration. II. The prevention of hypoventilation and mediastinal motion during intrathoracic surgery ..... 23
- Method for the measurement of pulmonary ventilation during anesthesia .. 571
- Deutsch, E. V.: Treatment of postspinal headache with intravenous ethanol: a preliminary report ..... 496
- Dille, J. M.: Effect of nisentil upon the intrauterine respiratory movements of the rabbit fetus ..... 71
- Dripps, R. D.: N-allyl normorphine: an antagonist to the opiates ..... 242
- Eckenhoff, J. E.: N-allyl normorphine: an antagonist to the opiates ..... 242
- Editorial ..... 221, 545
- The Anesthetist as a clinician ..... 108
- Corporate practice of a profession .... 642
- The lure of anesthesiology ..... 322
- Objective analysis of disgraceful incidents ..... 435
- Faulconer, Albert, Jr.: Correlation of concentrations of ether in arterial blood with electro-encephalographic patterns occurring during ether-oxygen and during nitrous oxide, oxygen and ether anesthesia of human surgical patients ..... 361
- Respiratory patterns during nitrous oxide-oxygen-ether anesthesia ..... 119
- Respiratory studies during anesthesia with ether and with pentothal sodium ..... 252
- Ferguson, John: Action of curare on the motility of non-innervated smooth muscle and its relationship to acetylcholine ..... 615
- Fisher, Katherine: Contributions of electrocardiography to anesthesia for chest surgery ..... 147
- Foldes, F. F.: 2-Chloroprocaine: a new local anesthetic agent ..... 287
- Frumin, M. J.: Continuous segmental peridural anesthesia ..... 488
- Fuller, J. D.: Advantages of the preoperative use of slowly absorbed d-tubocurarine ..... 370
- Gaudino, Mario: Changes in extracellular fluid volume, renal function, and electrolyte excretion induced by intravenous saline solution and by short periods of anesthesia ..... 374
- Greene, B. A.: Place of leather-soled shoes in the prevention of anesthetic explosions ..... 203

Halpern, A.: Development of efocaine, a new approach to prolonged local anesthesia .....	306
Hampton, L. J.: Apnoea neonatorum: the syndrome, its prevention, and its treatment .....	518
Harmel, M. H.: Electrocardiographic changes during extubation: A study of electrocardiographic patterns during endotracheal anesthesia including those seen during intubation, endotracheal suction, and particularly extubation .....	163
Quantitative evaluation of the bronchoconstrictor action of curare in the anesthetized patient: a preliminary report .....	275
Hehre, F. W.: Evaluation of positive pressure transfusions .....	621
Hellijas, C. S.: Preoperative and postoperative respiratory studies .....	142
Hemingway, Allen: Portable mass spectrometer for continuous gas analysis: certain technical considerations inherent in its use .....	455
Himmelstein, Aaron: The cardiotoscope .....	62
Hoff, H. E.: Physiologic problems in peripheral vascular disease .....	474
Hoffman, G. L.: N-allyl normorphine: an antagonist to the opiates .....	242
Homeyer, Walter, Jr.: Effects upon the duration of spinal anesthesia of combining nonanesthetic substances with the agent .....	231
Howland, W. S.: Circulatory changes during anesthesia for nonsurgical operations .....	343
Hume, R. H.: Use of dramamine in control of postoperative nausea and vomiting .....	302
Hunter, A. R., (Editorial): The anesthetist as a clinician .....	108
Hurlbut, D. B.: Effect of Nisentil upon the intra-uterine respiratory movements of the rabbit fetus .....	71
Iason, A. H.: Development of efocaine, a new approach to prolonged local anesthesia .....	306
Isaacs, J. P.: Method for the measurement of pulmonary ventilation during anesthesia .....	571
Kamaler, Patricia-Mary: Regional spinal anesthesia, utilizing the continuous spinal technic of Tuohy .....	397
Kaplan, M. S.: Prevention of headache following spinal anesthesia. The use of epidural saline: a preliminary report .....	103
Karp, Mary: Administration of oxygen by means of a device inserted in the nostril, a preliminary report .....	390
Kay, Richard: Preoperative and postoperative respiratory studies .....	142
Kennedy, R. J.: Paresis of the abducens nerve following spinal anesthesia ..	189
Kepes, Edith R.: Effect of demerol on the cerebrospinal fluid pressure .....	281
King, W. R.: Densities of common spinal anesthetic solutions at body temperature .....	184
Knight, R. T.: Portable mass spectrometer for continuous alveolar gas analysis: certain technical considerations inherent in its use .....	455
Landmesser, C. M.: Electrocardiographic changes during extubation. A study of electrocardiographic patterns during endotracheal anesthesia including those seen during intubation, endotracheal suction, and particularly extubation .....	163
Quantitative evaluation of the bronchoconstrictor action of curare in the anesthetized patient: a preliminary report .....	275
Latteri, F. S.: Development of efocaine, a new approach to prolonged local anesthesia .....	306
Lemere, Frederick: Thiopental (pentothal) reactions and their treatment with ACTH .....	86
Little, D. M., Jr.: Apnoea neonatorum: the syndrome, its prevention, and its treatment .....	518
Livingstone, R. M.: Effect of d-tubocurarine on blood coagulation time .....	594
Lockhart, George III: Paresis of the abducens nerve following spinal anesthesia .....	189
Maloney, J. V., Jr.: Device producing regulated assisted respiration. II. The prevention of hypoventilation and mediastinal motion during intrathoracic surgery .....	23
Method for the measurement of pulmonary ventilation during anesthesia .....	571
Marmar, M. J.: Use of sciatic nerve block for producing vasodilatation of the lower extremity and comparative study with paravertebral lumbar sympathetic ganglion block .....	207
Maurer, R. T.: Preoperative and postoperative respiratory studies .....	142
McNall, Pearl G.: 2-Chloroprocaine: a new local anesthetic agent .....	287
Miller, F. A.: Portable mass spectrometer for continuous alveolar gas analysis:	

certain technical considerations inherent in its use .....	455	Southworth, J. L.: Regional spinal anesthesia utilizing the continuous spinal technic of Tuohy .....	397
Mintz, Stanley: Effects upon the duration of spinal anesthesia of combining nonanesthetic substances with the agent .....	231	Sperry, W. L., (Editorial): The anesthetist's part in the doctor-patient relationship .....	545
Moore, D. C.: Use of parenteral dramamine to control postoperative vomiting; a report of 1192 cases .....	354	Steinhaus, J. E.: Comparative study of the experimental toxicity of local anesthetic agents .....	577
Morris, L. E.: New vaporizer for liquid anesthetic agents .....	587	Stephen, C. R.: Relation of light or deep anesthesia to shock .....	540
O'Hollaren, Paul: Thiopental (pentothal) reactions and their treatment with ACTH .....	86	Technics in pediatric anesthesia—the nonbreathing method .....	77
Orkin, L. R.: Hexylcaine (Cyclaine): usefulness in regional and topical anesthesia—preliminary report .....	465	Tamerin, J. A.: Experiences in the use of general anesthesia for corrective rhinoplasty .....	94
Papper, E. M.: Circulatory changes during anesthesia for neurosurgical operations .....	343	Tarrow, A. B.: Infusions via the bone marrow and biopsy of the bone and bone marrow .....	501
Patrick, R. T.: Respiratory studies during anesthesia with ether and with pentothal sodium .....	252	Thompson, M. S.: Infusions via the bone marrow and biopsy of the bone and bone marrow .....	501
Pender, J. W.: Rh factor and the anesthesiologist .....	608	Ting, K. S.: Effect of d-tubocurarine on blood coagulation time .....	594
Ponofsky, H. S.: Administration of oxygen by means of a device inserted in the nostril: a preliminary report ..	390	Importance of biometry in anesthesiology .....	1

The treatment of acute cranial injuries due to missiles. Pp. 85, 55 references. Price \$2.00. Charles C Thomas, Publishers, Springfield, Illinois ..... 112
- Mead, Sterling V.:  
Anesthesia in dental surgery. pp. 648, 212 illustrations. Price \$12.50. Ed. 2. C. V. Mosby Company, St. Louis, Missouri ..... 324
- Negus, V. E.:  
The comparative anatomy and physiology of the larynx. Pp. 230, 191 illustrations. Price \$6.50. Grune and Stratton, Inc., New York ..... 324

## TABLES, ILLUSTRATIONS, ETC.

	PAGE		PAGE
Diagram: Biometry .....	6	Graph: Respiratory patterns during anesthesia .....	123
Tables: Biometry applied to problems of medical writing ..... 7 to 15		Table: Inspiratory ventilation rates ....	123
Diagram: Graph illustrating biometry in medical writing .....	15	Graphs: Respiratory patterns during anesthesia .....	124, 125
Graph: Respiration, ventilator .....	24	Drawings: Anatomy of lung 131, 132, 133, 135, 138, 139	
Diagram: Mechanical respirator with ventilator .....	24	Tables: Electrocardiography and anesthesia .....	149, 150, 151, 159
Photograph: Mechanical respirator with anesthesia machine .....	25	Graphs: Cardiographic tracings ....	152-159
Graphs: Pulmonary ventilation with assisted breathing .....	26, 28	Table: Electrocardiography during extubation .....	164
Table: Morphine and pentobarbital in ether hyperglycemia .....	35	Tables: Pontocaine for bronchoscopy .....	172, 177, 178
Drawing: Fetal circulation .....	39	Photograph: Micro-atomizer .....	173
Drawing: Patent ductus arteriosus ....	40	Photograph: Mirror cannula .....	174
Drawing: Patent ductus arteriosus, effect on blood pressure .....	41	Graphs: Pontocaine for bronchoscopy .....	179, 180
Chart: Anesthesia during operation for patent ductus arteriosus .....	42	Table: Densities and specific gravities of fluids .....	186
Drawings: Tetralogy of Fallot .... 44, 45, 46		Graphs: Electrocardiographs; ethyl chloride and vinyl ethers .....	199, 200
Chart: Anesthesia during operation for tetralogy of Fallot .....	49	Graphs: Temperature after sciatic nerve block .....	212, 213
Chart: Laboratory report for patient with tetralogy of Fallot .....	50	Graph: Comparison of effect of sciatic nerve block with paravertebral block .....	214
Drawings: Coarctation of aorta .... 52, 53, 54		Photographs: Modified laryngoscope .....	225, 226
Charts: Anesthesia during operation for coarctation of aorta .... 53, 55, 57, 58		Drawing: Nonrebreathing mask .....	227
Photograph: Cardiotachoscope .....	63	Photograph: Use of non-rebreathing mask .....	228
Graph: Pulse rate indicators .....	64	Tables: Nonanesthetic agents with spinal anesthetics .....	232-235, 237, 239, 240
Graph: Nisentil; effect on respiration ..	73	Graphs: Effect of N-allyl normorphine .....	244-245
Tables Nisentil; effect on circulation and respiration .....	73, 74	Tables: Effect of N-allyl normorphine .....	247, 248
Chart: Oximeter record .....	79	Tables: Respiratory studies during anesthesia .....	253-265
Photograph: Face mask for child .....	82	Graphs: Respiratory studies during anesthesia .....	266-272
Photograph: Absorption system with O'Shaughnessy by-pass .....	82	Diagram: Device for recording effect of anesthetics on bronchi .....	276
Drawing: Parts of non-rebreathing valve ..	83	Photograph: Device for recording bronchoconstriction .....	277
Chart: Anesthesia record of infant ....	83	Graphs: Kymographic records; effect of curare on bronchi .....	278, 279
Photograph: Non-rebreathing valve in use .....	84	Graphs: Effect of demerol on spinal fluid pressure .....	282, 284, 285
Table: Use of methoxamine .....	92	Table: Effect of demerol on spinal fluid pressure .....	283
Tables: Headache prevention after spinal anesthesia .....	104, 105		
Graph: Electroencephalographic levels of anesthesia .....	120		
Diagram: Gas flow channels and valves ..	121		
Photograph: Gas meter and anesthesia apparatus .....	122		

Tables: 2-Chloroprocaine .....	289-293	Diagram: Spectrometer .....	456
Drawing: Device for measurement of venous pressure .....	299	Graphs: Mass spectrometer, recordings .....	457-462
Table: Venous pressure values .....	300	Tables: Hexylecaine .....	468, 470-472
Tables: Effect of dramamine .....	303, 304	Drawing: Campered needle .....	489
Tables, Elocaine .....	309-313, 317, 318	Tables: Segmental peridural anesthesia .....	490, 491
Graphs: Elocaine .....	309, 314	Photographs: X-rays; catheter in caudal canal .....	492, 493
Photograph: Armguard .....	326	Table: Treatment of postspinal headache	497
Graphs: Circulation during neurosurgery .....	344, 346-350	Photograph: X-ray; blood vessels within humerus .....	502
Charts: Anesthesia records during neuro- surgery .....	345, 351	Drawing: Trepchine needle set .....	503
Tables: Effects of dramamine .....	355, 356	Drawing: Insertion of sternal needle ...	504
Graph: Electroencephalographic levels of anesthesia .....	361	Drawing: Plastic cover for sternal needle	505
Tables: Concentrations of ether in ar- terial blood .....	363, 364, 367	Drawing: Tibial puncture .....	505
Graphs: Concentrations of ether in ar- terial blood .....	365, 366	Drawing: Femoral puncture .....	506
Tables: Extracellular fluid volume	380, 381, 383, 384, 386	Drawing: Iliac puncture .....	506
Photograph: Oxygen nostril insert .....	391	Graphs: Procaine amide; electrocardio- grams .....	513, 514
Photograph: Chest X-ray; bronchial catheter in position .....	392	Table: Procaine amide, dosage .....	515
Photograph: Double lumen tracheal cath- eter .....	393	Tables: Asphyxia neonatorum	519, 521, 528, 529
Photograph: X-ray; endobronchial tube and endotracheal tube in position ...	394	Photograph: H type adapter .....	552
Table: Oxygen administered through nostril .....	395	Photograph: Venturi tube .....	572
Photograph: Material for regional spinal anesthesia .....	398	Photographs: Ventilations meter .....	573
Tables: Regional spinal anesthesia	400, 401	Graphs: Ventilation measurements	574, 575
Table: Spinal anesthesia, mortality rates	413	Graphs: Tetracaine; toxicity .....	578, 579
Photographs: X-rays; catheter in spinal canal .....	417, 419	Tables: Tetracaine; toxicity .....	581-583
Tables: Fractional segmental spinal an- esthesia .....	422-424, 426	Photograph: Vaporizer for liquid anes- thetics .....	588
Tables: Cycloane spinal anesthesia	430, 431	Drawings: Vaporizer for liquid anes- thetics .....	588, 589
Photographs: Home-made infant resuscitator .....	438, 439	Graph: Ether concentrations .....	591
Photograph: Mask for infant .....	440	Table: Curare and blood coagulation time .....	595
		Tables: Rh factor .....	609, 612
		Graph: Curare; motility of muscle .....	616
		Photographs: Trichlorethylene inhaler .....	646, 647
		Photographs: Infant blood pressure re- cording .....	649

## MISCELLANY

	PAGE		PAGE
American Board of Anesthesiology, Inc. notice of examinations .....	76, 141, 196, 251	Chicago Society of Anesthesiologists, notice of meeting .....	224
American College of Anesthesiologists, notice of examinations .....	32, 251	Connecticut Society of Anesthesiologists, notice of meeting .....	188
American Medical Association, Section on Anesthesiology, scientific exhibits .....	286, 296	Correspondence .....	115, 229, 327, 441, 553, 650
program of meeting .....	323, 328, 340	Current Comment .....	113, 225, 326, 437, 552, 646
American Society of Anesthesiologists, Inc. program of annual meeting .....	487, 509, 544	Editorial .....	108, 221, 322, 435, 545, 642
Proceedings of House of Delegates .....	329, 442, 555	Illinois Society of Anesthesiologists, notice of meeting .....	206, 220
refresher courses .....	353, 360, 369, 373	Mexican Congress of Anesthesiologists, notice of meeting .....	451
Australian Society of Anesthetists, notice of meeting .....	301	New York State Society of Anesthesiol- ogists, Postgraduate Assembly .....	406
Book Reviews .....	112, 224, 324, 644	Philadelphia Society of Anesthesiologists, notice of meeting .....	22
Case Reports .....	113, 225, 326, 437, 552, 646	Scandinavian Society of Anesthesiologists, notice of meeting .....	321
