

ANNOUNCEMENT

ABA RECERTIFICATION EXAMINATION DATES

The American Board of Anesthesiology recertification program is voluntary for ABA diplomates whose certification is not time-limited. ABA diplomates may take the examination by computer at more than 200 test centers during a 2-week period, May 1 - 15, 1999. The ABA will inform applicants of the test sites when the list is available. To request an application interested diplomates should write the ABA at 4101 Lake Boone Trail, Suite 510, Raleigh, North Carolina 27607-6507. The ABA must receive completed recertification applications by November 15, 1998.

ERRATA

A Clinical Investigation authored by Loke *et al.* published in the March 1998 issue of ANESTHESIOLOGY (1998; 88:589-600) contained incomplete information. The correct author affiliation list should be: Julian C.P. Loke, M.B.B.S., B.Med.Sc., F.R.C.P.C.,*† David H. MacLennan, Ph.D., F.R.S.*

* Banting and Best Department of Medical Research, University of Toronto.

† Department of Anaesthesia, Malignant Hyperthermia Investigation Unit, The Toronto Hospital and Mount Sinai Hospital, University of Toronto.

Correspondence authored by Woehlck *et al.* published in the April 1998 issue of ANESTHESIOLOGY (1998; 88:1126-7) contained an error. Figures 1 and 2 were interchanged. The legends are labeled correctly.
