

Correction: Curative Properties of Noninternalizing Antibody–Drug Conjugates Based on Maytansinoids

In this article (Cancer Res 2014;74:2569–78), which appeared in the May 1, 2014 issue of *Cancer Research* (1), the chemical structures in Fig. 1 were reproduced improperly. A revised version of Fig. 1 is below. The publisher regrets this error.

The online version has been corrected and is different from the print.

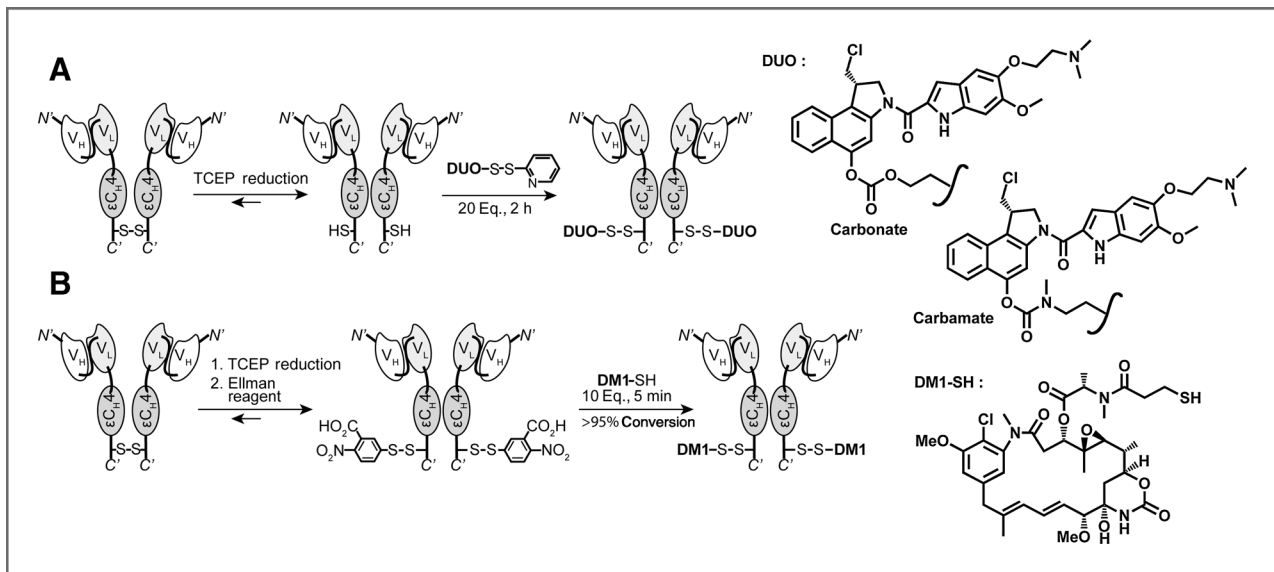

Figure 1.
