ERRATUM: MEASURING POVERTY IN A GROWING WORLD
(OR MEASURING GROWTH IN A POOR WORLD)

Angus Deaton

Angus Deaton’s article in the February 2005 issue of this REVIEW (volume 87, number 1, pages 1–19) contains two errors. On page 11, the inequality in equation (6) is reversed. In addition, the line below equation (6) should read “so that, dividing equation (6) by equation (5) we have”.
