2017 International Conference on Mathematical Methods & Computational Techniques in Science & Engineering (MMCTSE 2017)

This volume is from proceedings of the 2017 International Conference on Mathematical Methods & Computational Techniques in Science & Engineering. The main objective of the Conference was to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in Mathematical Methods & Computational Techniques as well as their applications in Science & Engineering. The Conference was held February 24-26, 2017 in Cambridge, UK. All chapters are self-contained and peer reviewed.
