Research Notes

Effects of Suspension in Emulsified Wiener or Incubation in Wiener Packages on the Virulence of *Listeria monocytogenes* Scott A. In Intragastrically Inoculated A/J Mice  Nancy G. Faith, Mark L. Tampalin, Darrell Bayles, John B. Luchansky, and Charles J. Czuprynski* ................................................................. 597

Synergistic Inhibitory Effect of Citral with Selected Phenolics against *Zygosaccharomyces bailii* Karla Rivera-Carriles, Alvaro Argaiz, Enrique Palou, and Aurelio López-Malo* ......................................................... 602

Mycotoxin Production and Postharvest Storage Rot of Ginger (*Zingiber officinale*) by *Penicillium brevicompactum* D. P. Ovney* and J. C. Frisvad ................................................................. 607

Detection of Patulin in Apple Juices Marketed in the Tohoku District, Japan  Mitsuru Watanabe* and Hisashi Shimizu ......................... 610

In Vitro Binding of Zearalenone to Different Adsorbents  Dante J. Bueno, Liliana Di Marco, Guillermo Oliver, and Alicia Bardón* ................................................................. 613

Comparison of Methods for the Isolation of Thermotolerant *Campylobacter* from Poultry  P. Tangvatcharin, S. Chanthachum, P. Kopaiboon, N. Inttasungka, and M. W. Griffiths* ................................................................. 616

Comparison of Chromogenic *Shigella* spp. Plating Medium with Standard Media for the Recovery of *Shigella boydii* and *Shigella sonnei* from Tomato Surfaces  B. R. Warren, M. E. Parish, and K. R. Schneider* ................................................................. 621

A Rapid and Inexpensive Method for the Determination of Biogenic Amines from Bacterial Cultures by Thin-Layer Chromatography  Emilia García-Moruno, Alfonso V. Carrascosa, and Rosario Muñoz* ................................................................. 625

Comparison of Commercially Available Antibodies for the Detection of Central Nervous System Tissue in Meat Products by Enzyme-Linked Immunosorbent Assay  Eva Rencova* ................................................................. 630

Mercury and Omega-3 Fatty Acids in Retail Fish Sandwiches  S. M. Shim, J. A. Lasrado, L. E. Dorworth, and C. R. Santerre* . . 633

Review

*Bacillus cereus* Food Poisoning and Its Toxins  Jean L. Schoeni and Amy C. Lee Wong* ................................................................. 636

ERRATUM

In the article “Inhibition of *Listeria monocytogenes* and *Salmonella* by Natural Antimicrobials and High Hydrostatic Pressure in Sliced Cooked Ham,” by Aymerich et al., that appears in the *Journal of Food Protection* 68(1):173–177, Figures 1 and 2 are reversed. The legends for the figures are accurate and correspond to the text.
