Errata

p. 332, line 5 should be: . . . (Smith [33]).
p. 332, line 23 should be: . . . (Rigby, et al. [32]; Yannas and Huang [42]); . . .
p. 334, line 26 should be: A basic unit $j$ in the HDCL . . .
p. 334, line 28 should be: . . . attached at their ends.
p. 334, equation (9) should be: 

\[ F(t) = K_1 \cdot e_j(t) = K_1 \cdot \dot{e}_j(t) \]

p. 334, equation (16) should be: 

\[ \dot{e}_j(Z) = H[e_j(Z) - \varepsilon_s]dZ \]

p. 334, three lines before equation (17) should be: 

\[ P(x)dx \] (instead of \( P(x) \))
p. 335, four lines after equation (21) should be: \( s = 0.006 \)
p. 335, twelve lines after equation (21) should be: 

\( u = 0.6076/s \)

p. 336, equation (27) should be:

\[ F_c(e, t) = K_2^* \int_0^{t} G(t - Z) \cdot H[e(Z) - \varepsilon_s] \dot{e}_j(Z) dZ \]

p. 336, one line after equation (27) should be: \( K_2^* \)

[instead of \( K_2 \) ]
p. 336, one line after equation (31) should be: \( \varepsilon_{10} \)

[instead of \( \varepsilon_{10} \) ]
p. 337, third line from the bottom should be: peak

[instead of peaks]
p. 338 line 3, should be: Since no previous structural viscoelastic models . . .

---
