

Acknowledgement to Referees

The high scientific standards maintained by *Journal of Water Supply: Research and Technology—AQUA* in its papers owe much to the continuing dedication of the journal's referees, who give freely of their time and expertise. IWA is pleased to pay tribute to this contribution by recognizing those who have participated in the review process. Thus, the Editors of *Journal of Water Supply: Research and Technology—AQUA* acknowledge with particular gratitude the following referees who have reviewed papers during the period January 2003–December 2003.
