### CLINICAL EDUCATION PROGRAM (CEP)

Funded by an educational grant from The Upjohn Company, ADA's new Clinical Education Program (CEP) "Managing Diab-  
 etes in the 1990s" focuses on helping physicians gain a  
 better understanding of how to manage the diabetic patient,  
 including treatments that may delay or avoid diabetic com-  
 plications. The 3.5-hour seminars are specifically designed for  
 primary-care physicians. Attendees will receive Continuing  
 Medical Education credits. ADA affiliates will conduct ap-
