ADA EVENTS

FUTURE MEETINGS

51st Annual Meeting: 21–28 June 1991, Washington Convention Center, Washington, DC.

CLINICAL EDUCATION PROGRAM (CEP)

Funded by an educational grant from The Upjohn Company, ADA's new Clinical Education Program (CEP) "Managing Diabetes in the 1990s" focuses on helping physicians gain a better understanding of how to manage the diabetic patient, including treatments that may delay or avoid diabetic complications. The 3.5-hour seminars are specifically designed for primary-care physicians. Attendees will receive Continuing Medical Education credits. ADA affiliates will conduct approximately 100 CEP seminars during the coming year. The following CEP programs have been scheduled.

Missouri Affiliate—13 September 1990, Kansas City.
 Hawaii Affiliate—14 September 1990, Honolulu.
 Georgia Affiliate—15 September 1990, Callaway Gardens.
 Washington Affiliate—15 September 1990, Seattle.
 Alabama Affiliate—20 September 1990, Tuscaloosa.
 Kentucky Affiliate—26 September 1990, Louisville.
 Texas Affiliate—28 September 1990, San Antonio.
 Connecticut Affiliate—5 October 1990, Middletown.
 Maryland Affiliate—6 October 1990, Baltimore.
 Massachusetts Affiliate—24 October 1990, New Bedford.
 Indiana Affiliate—3 November 1990, Indianapolis.
 Washington, DC, Affiliate—3 November 1990.
 Delaware Affiliate—6 November 1990, Wilmington.
 Michigan Affiliate—13 November 1990, Dearborn.

For more information, contact your local ADA affiliate or Dr. Michael Stolar, Vice President, Scientific Affairs, ADA National Service Center, 1660 Duke Street, Alexandria, VA 22314. Tel.: (703) 549-1500 or 800-232-3472, ext. 360.

DIABETES EDUCATION UPDATE

The Wichita State University, Division of Continuing Education; the ADA Kansas Affiliate; the University of Kansas School of Medicine, Wichita; and the Diabetes Treatment Center at St. Joseph Medical Center, Wichita, will sponsor "Diabetes Education Update," an intensive workshop and clinical practicum for nurses and dietitians 17–21 (didactic) and 24–28 (practicum) September 1990. The workshop will be held at the Hilton Inn East, Wichita, Kansas, and the cost is \$300 per person. For more information, contact Phillis Clampitt, The Wichita State University, Division of Continuing Education, Wichita, KS 67208-1595. Tel.: (316) 689-3726.

NATIONAL CONFERENCE ON DIABETES AMONG MEXICAN AMERICANS

The ADA Texas, California, New Mexico, Arizona, Colorado, and Nevada Affiliates; the Texas Diabetes Council and Department of Health; and the Centers for Disease Control are cosponsoring a national conference on diabetes among Mexican Americans 27–28 September 1990 in San Antonio, Texas. The conference will cover such topics as a review of epidemiology and research, current trends in research, the effect of cultural perspectives of the Mexican-American population on health issues and chronic disease, clinical program models, and current perspectives in health promotion and disease prevention. Guest speakers will include Dr. Frank Vinicor of the Centers for Disease Control and Henry Cisneros, former mayor of San Antonio. For more information, contact Barbara Lau, ADA Texas Affiliate, 8140 North Mopac, Building 1, Suite 130, Austin, TX 78759. Tel.: (512) 343-6981.

15TH ANNUAL PROFESSIONAL SYMPOSIUM FOR PHYSICIANS AND HEALTH-CARE PROFESSIONALS

The ADA North Dakota Affiliate will hold its 15th annual professional symposium for physicians and other health-care professionals titled "The Highs and Lows of Diabetes" on 26 October 1990 in Grand Forks, North Dakota. The program will feature speakers and in-state diabetes experts. For more information, contact Mary Ann Keller, RN, MS, CDE, Executive Director, ADA North Dakota Affiliate, P.O. Box 234, Grand Forks, ND 58206. Tel.: (701) 746-4427.

38TH ANNUAL SYMPOSIUM OF CLINICAL SOCIETY OF ADA NEW YORK DOWNSTATE AFFILIATE

The ADA New York Downstate Affiliate will hold its 38th annual symposium 27 October 1990 in New York City at the New York University Medical School. The program will include guest speakers and the Herman O. Mosenthal Memorial Lecture. For more information, contact the ADA New York Downstate Affiliate, 505 Eighth Avenue, New York, NY 10018. Tel.: (212) 947-9707.

UNIVERSITY OF PENNSYLVANIA SYMPOSIUM ON DIABETIC COMPLICATIONS

The ADA Greater Philadelphia Affiliate is cosponsoring the "University of Pennsylvania Symposium on Diabetic Complications," 10 November 1990, at the University of Pennsylvania, Philadelphia. The symposium will focus on various clinical and basic science aspects of diabetic complications. For more information, contact Mahin Khatami, PhD, Department of Ophthalmology, Sheie Eye Institute, 51 North 39th Street, Philadelphia, PA 19104. Tel.: (215) 662-8037/8712.

MULTIDISCIPLINARY SYMPOSIUM ON DIABETIC FOOT

The University of Texas Health Science Center at San Antonio and the ADA Texas Affiliate are cosponsoring a symposium on the diabetic foot, 8–9 December 1990, at the Hyatt Regency on the River, San Antonio, Texas. The symposium will take a multidisciplinary approach and focus on practical treatment of the diabetic foot and foot-care research trends. For more information, contact Susan Duncan, Continuing Education Department, The University of Texas Health Science Center at San Antonio, 7703 Floyd Curl Drive, San Antonio, TX 78284. Tel.: (512) 567-4444.

OTHER EVENTS

14TH IDF CONGRESS

The International Diabetes Federation will hold its 14th Congress, 23–28 June 1991, at the Washington Convention Center in Washington, DC. The program will include scientific and clinical sessions covering such topics as clinical care, health-care delivery, education, public awareness, fund raising and volunteerism, association management, government and association relations, and youth services. Preliminary registration forms are available. The deadline for submission of abstracts is 21 September 1990. For more information, write to Linda Cann, American Diabetes Association, 1660 Duke Street, Alexandria, VA 22314. Tel.: (703) 549-1500, ext. 281; or 1-800-232-3472, ext. 281.

TRAVEL GRANT DEADLINE FOR 14TH IDF CONGRESS

The deadline for receipt of travel grant applications for the 14th IDF Congress has been extended until 28 September 1990. The IDF Congress will be held 23–28 June 1991 in conjunction with the ADA 51st Annual Meeting and Scientific Sessions. For more information and an application, contact the Travel Grants Committee, American Diabetes Association, 1660 Duke Street, Alexandria, VA 22314.

**INTERNATIONAL CONFERENCE ON
DIABETES AND AMERICAN INDIANS**

ADA; the Native American Research and Training Center; the Indian Health Service; the International Diabetes Center; the Assembly of First Nations; the Canadian Diabetes Association; and the Medical Services Branch, Health and Welfare Canada are cosponsoring an international conference on diabetes among American Indians, 7–9 November 1990, in Minneapolis, Minnesota, at the Holiday Inn-Downtown. The conference will cover such topics as establishing and providing effective care programs, development and implementation of model community diabetes programs, and standards of care and health education recommended for American Indians with diabetes. The program will include speakers from reservation communities and hospitals throughout Canada and the U.S. For more information, contact Dr. Robert Young, NARTC, 1642 East Helen Street, Tucson, AZ 85719, Tel.: (602) 621-5560, or Virginia Toulouse, Assembly of First Nations-Diabetes Conference, 47 Clarence Street, 3rd Floor, Atrium Building, Ottawa, Ontario K1N 9K1, Canada, Tel.: (613) 236-0673.

**8TH INTERNATIONAL BEILINSON
SYMPOSIUM ON PREDIABETES**

The 8th International Beilinson Symposium on Prediabetes will be held 20–25 October 1991 in Jerusalem, Israel. Among the topics to be discussed are genetic and environmental risk factors for IDDM, immunological and biochemical markers of pre-IDDM, prediabetes screening, planning and use of surveys for prediabetes, psychological aspects of prediabetes, the benefits and risks of various therapeutic approaches in prediabetes, and design of future collaborative studies. For more information, contact the Secretariat, 8th International Beilinson Symposium, P.O. Box 50006, Tel Aviv 61500, Israel. Tel.: 972-3-654571. Telex.: 341171 KENS IL. Fax.: 972-3-655674.

**INDIA-USA SYMPOSIUM AND WORKSHOP ON
ENDOCRINOLOGY, METABOLISM, AND DIABETES**

The All India Institute of Medical Sciences will hold an international symposium on endocrinology, metabolism, and diabetes, EMD—90, 27–31 December 1990, in New Delhi, India. Among the topics to be discussed are diabetes mellitus, pediatric and reproductive endocrinology, bone, mineral, and lipid metabolism. For more information, contact Dr. N. Kochupillai, FAMS, EMD—90, Department of Endocrinology, Metabolism, and Diabetes, All India Institute of Medical Sciences, New Delhi—110029, India.

ADA GRANTS AND AWARDS

FEASIBILITY GRANTS

These grants provide up to \$40,000/yr for 2 yr for new and innovative diabetes research. The funds are to be used for

equipment, supplies, and salary for technical assistance. Established diabetes investigators must propose marked departures from current research. Investigators in other fields are encouraged to apply their expertise to diabetes research. Applicants must be U.S. citizens or permanent residents and be members of U.S. university-affiliated institutions or equivalent within the U.S. or U.S. possessions. Application deadline is 1 February 1991 for funding beginning 1 July 1991.

RESEARCH AND DEVELOPMENT AWARDS

These awards provide a maximum of \$65,000/yr for 3 yr to support young investigators with 2–5 yr of postdoctoral research experience. The funds support an investigator's salary and research program and enable the investigator to initiate an independent research effort that will lead to future long-term research funding. Applicants must be U.S. citizens or permanent residents and hold independent faculty positions at U.S. university-affiliated institutions within the U.S. and U.S. possessions. Application deadline is 1 February 1991 for funding beginning 1 July 1991.

MEDICAL STUDENT RESEARCH FELLOWSHIP PROGRAM

These awards provide \$25,000/yr for 5 yr to accredited U.S. medical schools to support training of medical students. Selected students must be U.S. citizens or permanent residents in good standing who have completed at least 1 yr of medical school. Application deadline is 14 September 1990 for 1 January 1991 funding.

MENTOR-BASED POSTDOCTORAL FELLOWSHIP PROGRAM

These awards, in the amount of \$30,000/yr for 3 yr, are given to support a postdoctoral fellow working with an established diabetes investigator. The investigator must be a U.S. citizen or permanent resident and hold an appointment at a U.S. research institution. The fellow must have an MD or PhD degree, no more than 3 yr of postdoctoral research experience, and cannot serve an internship or residency during the award period. Application deadline is 12 October 1990 for 1 July 1991 funding.

**LIONS CLUB INTERNATIONAL CLINICAL RESEARCH
PROGRAM IN DIABETIC EYE DISEASE**

This program supports clinical or applied research in diabetic retinopathy in the U.S. and abroad. Awards up to \$40,000/yr for 2 yr will be given to support new treatment regimens, epidemiology, and translation research. In addition, funds will be provided to support the training of foreign investigators in U.S. research institutions, to enable U.S. investigators to conduct training programs in foreign institutions, and to provide equipment for clinical research in diabetic retinopathy. Application deadline is 1 February 1991 for 1 July 1991 funding.

CLINICAL RESEARCH GRANT PROGRAM

Grants of up to \$50,000/yr are provided for 3 yr for studies that directly involve humans. In vitro research on human blood or tissue samples to measure effects of environmentally in-

duced (e.g., diet, drugs) changes qualifies as clinical research under this program; simply using human tissues for laboratory research does not qualify. The funds may be used for equipment, supplies, and/or salary (excluding principal investigator's salary). Applicants must be U.S. citizens or permanent residents and hold faculty-level appointments at U.S. univer-

sity-affiliated institutions. Application deadline is 1 February 1991 for 1 July 1991 funding. Application forms for all programs are available from the American Diabetes Association National Service Center, Division of Scientific and Medical Affairs, 1660 Duke Street, Alexandria, VA 22314. Tel.: (703) 549-1500; or 1-800-232-3472.
