**DIABETES WEEK
 NOVEMBER 14-20**

Following the usual practice of observing official Diabetes Week the week before Thanksgiving, Diabetes Week this year will be November 14-20. Affiliate Associations and Committees on Diabetes of County and State Medical Societies are urged to note this date in making plans for their Public Education and Detection programs.

FOURTH RESEARCH SYMPOSIUM

The American Diabetes Association will present its fourth Research Symposium on the general subject of glucose, fatty acids, and diabetes on Friday and Saturday, October 1-2, 1965. The Sessions will be held at the Washington University School of Medicine in St. Louis, Missouri, with the Chase-Park Plaza as headquarters hotel. The Symposium is an activity of the Committee on Research, of which Jerome W. Conn, M.D., Ann Arbor, is Chairman. David M. Kipnis, M.D., St. Louis, will be Director of the Symposium.

**NEWS OF
 AFFILIATE ASSOCIATIONS**

The NEW YORK DIABETES ASSOCIATION (Clinical Society) will have Rafael A. Camerini-Davalos, M.D., as its speaker at a meeting to be held May 20, 1965, at 8 p.m., in Room 20, New York Academy of Medicine, 2 East 103rd Street, New York City. His topic will be "Prediabetes." Prize-winning papers on original work in diabetes submitted in the Second Annual Prize Essay Contest for House Staff Officers and Fellows of hospitals in the City of New York and adjacent counties also will be presented at the meeting.

**NEWS NOTES
 FELLOWSHIP FUND**

Colleagues and friends of the late Norman Jolliffe, M.D., of New York, have established the Norman Jolliffe Fellowship Fund to honor his contributions to the field of medicine and public health nutrition. The fund will provide scholarships for young physicians so that they may participate in the clinical and research aspects of the science of nutrition. Information may be secured from George J. Christakis, M.D., The City of New York Department of Health, 125 Worth Street, New York, N.Y. 10013.

PERSONALS

REGINALD A. SHIPLEY, M.D., Cleveland, will participate in the Centennial Symposium of Western Reserve University and the University Hospitals of Cleveland, May 20-22. Dr. Shipley will present "Some Endocrine Aspects of Fat and Carbohydrate Metabolism" on Friday afternoon, May 21.
