### TWENTY-SIXTH ANNUAL MEETING

As previously announced, the Twenty-sixth Annual Meeting of the American Diabetes Association will be held at the La Salle Hotel in Chicago, June 25-26, 1966. Complete information about the Meeting, including a list of papers to be presented at the Scientific Sessions and those included in the program By Title, was published in the April issue of this Journal. The printed Program, together with a pre-meeting registration and Banquet reservation form, has been mailed to all Members of the Association. A special survey form is included, requesting Members to supply information as to whether they customarily attend the Annual Conventions of the American Medical Association. Members are asked to complete and return the form regardless of whether or not they plan to attend this year's Meeting, as the information is essential to the Officers and Board of Directors in planning future meetings of the Association.

### FIFTH RESEARCH SYMPOSIUM

The American Diabetes Association will present its fifth Research Symposium at the Fairmont Hotel in San Francisco, October 7-8, 1966. Glucagon will be the general subject of the sessions. The Symposium is an activity of the Committee on Research, of which Jerome W. Conn, M.D., Ann Arbor, is Chairman. Roger H. Unger, M.D., Dallas, is Director of the Symposium.

### FOURTEENTH POSTGRADUATE COURSE

The Fourteenth Postgraduate Course of the American Diabetes Association will be held at the Statler-Hilton in Dallas, Texas, January 18-20, 1967. Co-Directors of the Course are Leonard L. Madison, M.D., Holbrook S. Seltzer, M.D., Marvin D. Siperstein, M.D., and Roger H. Unger, M.D. Edwin L. Rippey, M.D., is Chairman of the Local Committee on Arrangements. The Course is an activity of the Committee on Professional Education, of which George J. Hamwi, M.D., Columbus, Ohio, is Chairman.

### TWENTY-SEVENTH ANNUAL MEETING

Atlantic City, New Jersey, will be the site of the Twenty-seventh Annual Meeting of the American Diabetes Association, to be held at the Hotel Dennis June 17-18, 1967. Further details will be announced in future issues of the Journal.

### NOVEMBER 13-19 IS DIABETES WEEK

Following the usual practice of observing official Diabetes Week the week before Thanksgiving, the date for Diabetes Week this year is November 13-19. Affiliate Associations and Committees on Diabetes of County and State Medical Societies are urged to note this date in making plans for their Public Education and Detection programs.
