

AMERICAN METEOROLOGICAL SOCIETY

Corporation Members

- Aerospace Corporation
Air Transport Association of America
Alden Electronic and Impulse Recording Equipment Company, Inc.
Allied Research Associates, Inc.
American Airlines, Inc.
K. R. Amtmann, S.A.
AVCO Broadcasting Corporation
Barnes Engineering Company
Belfort Instrument Company
The Bendix Corporation, Environmental Science Division
Beukers Laboratories, Inc.
The Boeing Company
Booz, Allen Applied Research Inc.
Brock University Library
Cardion Electronics, Inc.
Civil Air Transport
Collins Radio Company
Colorado State University, Department of Atmospheric Science
Control Data Corporation
Cornell Aeronautical Laboratory, Inc.
Dewey and Almy Chemical Company, Division of W. R. Grace & Co.
Eastern Airlines, Inc.
EG&G, Inc.
The Eppley Laboratory, Incorporated
Esso Research and Engineering Company
Fairchild Hiller Corporation, Space and Electronics Systems Division
Florida Power & Light Company
Florida State University, Department of Meteorology
Freeport International Weather Service
Fresno State College, Atmospheric Water Resources Research
GCA Corporation
GEOMET, Incorporated
Griffin-Leake TV, Inc.
Harvard University, Blue Hill Observatory
Hughes Aircraft Company, Space Systems Division, Space Applications Systems
IBM Corporation
Illinois State Water Survey
Institute of Tropical Meteorology (India)
Iranian Meteorological Department
ITT Industrial Laboratories
Kaysam Corporation of America
LITCOM Division, Litton Industries
Arthur D. Little, Inc.
Litton Systems, Inc., Environmental Systems Center
Lockheed-California Company
Martin Marietta Corporation
Massachusetts Institute of Technology, Department of Meteorology
McDonnell Douglas Astronautics Company
Meteorology Research, Inc.
Metrophysics, Inc.
Meyer Products, Inc.
The Mitre Corporation
Murray and Trettel, Consulting Meteorologists
National Weather Corporation
New York University, Department of Meteorology and Oceanography
North American Weather Consultants
Northeast Weather Service
Olin Mathieson Chemical Corporation, Associated Products Operations
Oregon State University, Department of Atmospheric Sciences
Pan American World Airways, Inc.
Pennsylvania State University, Department of Meteorology
Philippine Weather Bureau
Radio Corporation of America, Astro-Electronics Division
Republic of Korea Air Force, 73rd Weather Group, 7th A.C.S. Wing
Research Triangle Institute
Rutgers University, College of Agriculture and Environmental Science
Saint Louis University, School of Engineering & Earth Science
San Jose State College, Department of Meteorology
Sandia Corporation
Saudi Arabian Meteorological Services
Science Associates, Inc.
Sears, Roebuck and Co.
Servico Meteorologico de Mocambique
Sheffield University Library
South Dakota School of Mines & Technology
Texas A&M Research Foundation, Department of Meteorology
Texas Water Development Board
Time & Weather, Inc.
Trans World Airlines
The Travelers Insurance Company
The Travelers Research Corporation
Trinidad and Tobago Meteorological Service
United Air Lines
University Corporation for Atmospheric Research, National Center for Atmospheric Research
University of Arizona, Institute of Atmospheric Physics
University of California, Los Angeles, Department of Meteorology
University of Chicago, Department of the Geophysical Sciences
University of Colorado, Department of Astro-Geophysics
University of Miami, Institute of Atmospheric Science
University of Michigan, Department of Meteorology and Oceanography
University of Nevada, Desert Research Institute
University of Oklahoma, Department of Meteorology
University of Toronto Library
University of Washington, Department of Atmospheric Sciences
VIZ Manufacturing Company
Edward L. A. Wagner, Weather Consultant
WCBS-TV
Weather Corporation of America
Weather Engineering Corporation of America
Weather Routing, Inc.
Weather Science, Inc.
WFGA-TV
WFLA AM, FM & TV
Robert E. White Instruments, Inc.
L. Lee Wilson Engineering
World Weather, Inc.
WTVT Television Weather Service
WWL Radio & Television
Yale University, Department of Geology and Geophysics
R. M. Young Company
