

Report of the 1988 Nominating Committee

The 1988 Nominating Committee of the American Meteorological Society, consisting of Clifford J. Murino, Chairman, John W. Diercks, William H. Haggard, Frederick P. Ostby, Jr., Owen E. Thompson, and Roscoe R. Braham, Jr., President of AMS (ex-officio), submits the accompanying list of nominees for President-Elect and Councilor to be elected by mail ballot prior to the next Annual Meeting in January 1989.

The person who is elected to be President-Elect in 1989 will serve as President in 1990.

It is provided in Article V of the By-Laws of the Society that nominations also may be made by petition signed by at least 50 members eligible to vote on the preceding May 1, provided the petition is received by the Secretary-Treasurer, together with the written consent of the nominee, not later than the next following September 1.

*For Members Only....
wear it with pride!*

Due to the many requests over the years from members and AMS Chapters, the AMS is offering a very attractive lapel pin/tie tack combination to its members. The Seal of the American Meteorological Society is masterfully reproduced and die-struck on the finest jeweler's metal with a polished Hamilton Gold-clad finish. The size is $\frac{3}{4}$ " in diameter.

Because of the limited supply, we suggest that you order your AMS lapel pin/tie tack combination now.

employment announcements

The American Meteorological Society issues employment announcements monthly, setting forth opportunities for positions in the atmospheric and oceanographic fields. The employers describe the prerequisites and requirements for the openings.

Members and nonmembers may subscribe to the announcements. The subscription price for a calendar year (12 monthly issues) is \$6 for AMS members and \$25 for nonmembers (add \$10 for mailing to a foreign address; monthly issues will be sent via air mail). After July 1, half-year subscriptions (for July through December issues) are available at one half of the above annual prices.

The purpose of the Employment Announcements is to provide a means by which those seeking positions in the atmospheric and related fields and those requiring personnel to fill such openings may have a convenient means of communication. Organizations that wish to avail themselves of this service should contact Corinne Kazarosian, American Meteorological Society, 45 Beacon Street, Boston, MA 02108 (617-227-2425), for details and charges.
