ONLINE MEMBERSHIP DIRECTORY

This important professional and personal networking tool allows you to make contact with thousands of colleagues. The directory, which is searchable by last name, lists mailing addresses, telephone numbers, and electronic addresses of our members. It’s easier than ever before to keep in touch.

The membership directory is password protected so that only our individual members may gain access. Visit the directory site to create your personalized user profile. Start taking advantage of this invaluable member resource today!

The online membership directory is located on the “Members Page,” in the “Membership” section of the AMS Web site: www.ametsoc.org.
