Certified Consulting Meteorologist: The certification program of the American Meteorological Society is aimed at fostering the establishment and maintenance of a high level of professional competency, and mature and ethical counsel, in the field of consulting meteorology. Requirements of knowledge, experience, and character are determined by a five-person board. Objectives of the program and application procedures are described in full detail in the August 2001 *Bulletin* (pp. 1689-1694).
