

**ADA FORECAST FEATURES  
ARTICLE ON PREDIABETES**

"Prediabetes: A New Frontier in Research," by J. Stuart Soeldner, M.D., appears in the September-October issue of ADA FORECAST. The article deals with the prediabetic period, and discusses those most susceptible to develop diabetes and what can be done for them. Copies of the September-October issue are available at 35¢ each or six for \$2.00.

**NEWS OF  
AFFILIATE ASSOCIATIONS**

The DIABETES ASSOCIATION OF SOUTHERN CALIFORNIA will hold a dinner meeting on November 19 at the Los Angeles County Medical Association, 1925 Wilshire Boulevard, Los Angeles. The dinner and lecture are open without fee to all Professional Members of DASC. Members are invited to bring additional guests at a fee of \$6.00 per person. Rachmiel Levine, M.D., New York, will present the annual Helen Martin Lecture on the subject "Actions of Insulin and Its Functions in the Body."

The COLORADO DIABETES ASSOCIATION will hold its sixth annual institute for doctors working in the field of diabetes at the Aspen Institute in Aspen, Colorado, March 19-23, 1969. A program may be obtained after December 15 from the Colorado Diabetes Association, 1375 Delaware Street, Denver, Colo. 80204.

**NEWS NOTES**

**ANNUAL MEETING OF THE  
AMERICAN DIETETIC ASSOCIATION**

The fifty-first annual meeting of The American Dietetic Association will be held in San Francisco October 14-18 at The San Francisco Hilton Hotel, the Civic Auditorium and Brooks Hall. "Who Feeds the Nation?" is the major theme of the meeting. A session on programmed instruction for patients with diabetes will be held on Thursday afternoon, October 17.
