

DECEMBER 1 DEADLINE FOR 1969 LILLY AWARD NOMINATIONS

The thirteenth Lilly Award will be given at the Twenty-ninth Annual Meeting of the American Diabetes Association at the Hotel Roosevelt in New York, June 28-29, 1969. The following stipulations govern the contest for this annual award, which is supported by Eli Lilly and Company and consists of \$1,000 and a medal.

Purpose: To recognize demonstrated research in the field of diabetes, taking into consideration independence of thought and originality.

Eligibility: Any investigator in an appropriate field of work, closely related to diabetes, who is less than forty years of age on January 1 of the year in which the award is made. The research will not necessarily be judged in comparison to the work of more mature and experienced workers. The candidate should be a resident of the United States or Canada.

Nominations: Nominations for the award will be solicited from the Members of the American Diabetes Association. Such nominations will be requested by repeated notices to be published in DIABETES. Names of nominees must be received before December 1 of the year preceding the award. The nomination should be accompanied by full information concerning the nominee's personality, training and research work. Six copies of each item should be submitted. No Member may send in more than one nomination. A list of the nominee's publications, if any, and six copies of the publication or manuscript for which the award is to be given should also accompany the nomination. The award may be given for work published during the year prior to December 1 of the year preceding the award. The nominee should be actively engaged at that time in the line of research for which the award is to be made.

Announcement: The name of the winner will be announced in DIABETES. The winner will be invited to present a paper on his work at the Annual Meeting. Papers considered for the award must be submitted with the idea that they will be published in whole or in part in DIABETES if found acceptable to the Editor and/or Editorial Board. If the Committee should decide that no outstanding work has been presented for this consideration, the award will not be made.

Award: In addition to the monetary award and medal, traveling expenses will be given to make it possible for the recipient to receive his award in person at the Annual Meeting.

UNUSUAL CHRISTMAS GIFT OPPORTUNITIES

Gift subscriptions to the journal DIABETES are a fine Christmas remembrance for colleagues, junior associates or medical students.

The full rate for subscriptions is \$14.00 per year within the United States, U.S. Possessions, Canada and the Pan American Union and \$16.00 elsewhere. Subscriptions ordered in the names of medical students, physicians within their first five years after medical school, or bioscientists who are predoctoral or no more than two years postdoctoral are only half

the full domestic price: \$7.00 per year, plus overseas postage of \$2.00 if applicable. A gift card will be sent if the purchaser requests it.

Volume I and II of the physicians' manuals *Diabetes Mellitus: Diagnosis and Treatment* also make most appropriate Christmas gifts. A gift card will be included if desired. *Volume II is not intended as a replacement for Volume I; it is the second book in a series.* Single copy and quantity prices, including handling and shipping costs, are as follows:

Quantity	Price		Combination of Volume I and Volume II
	Volume I	Volume II	
1-9 copies	\$2.00 each	\$2.50 each	\$4.25
10-49 copies	1.95 each	2.45 each	4.15
50-99 copies	1.85 each	2.30 each	3.95
100-249 copies	1.75 each	2.20 each	3.70
250 copies and over	1.60 each	2.00 each	3.40

Address your orders to the American Diabetes Association, Inc., 18 East 48th Street, New York, N.Y. 10017. *A prompt order will insure delivery in time for Christmas.*
