Errata

Mid-luteal serum inhibin-A concentration as a marker of endometrial differentiation

by Montserrat Creus, Jaume Ordi, Francisco Fàbregues, Roser Casamitjana, Juan A.Vanrell and Juan Balasch

On page 1348, column 2, 3 lines from the bottom, the monoclonal antibody was incorrectly given as LM603. The correct antibody should be LM609.

Models of cost-effectiveness of recombinant FSH versus urinary FSH (Letter to the Editor)

by H.Al-Inany and M.Afnan

On page 1672, due to a printing error, the reference for Sykes *et al.* (2001) was given incorrectly. The correct reference is printed below:
