INFORMATION FOR AUTHORS

Images Wanted for the Cover of *Diabetes*

Readers are invited to submit images for use on the cover of *Diabetes*. Black and white or color photographic or photomicrographic images are preferable. Cover image submission and selection is completely independent of article submission and the peer-review process. Cover image submissions should be sent to productionmanager@diabetes.org with a brief caption and complete credit information. For more information, please visit diabetes.diabetesjournals.org/site/misc/coversubmission.pdf.

Video Data

The journals *Diabetes Care* and *Diabetes* accept video material to support and enhance your scientific research. Videos are published in the online article, with a still image from the video appearing in the PDF and the print version. Still images are encouraged, but not required, and should represent as best as possible the main subject of the video. Please visit online instructions for authors for more information.

DIABETES CARE ONLINE COLLECTIONS

Diabetes Care periodically publishes special article collections related to a specific topic, study, or aspect of diabetes care, prevention, and treatment. These collections appear in the print and online editions of *Diabetes Care*. Learn more about previously published collections at <http://care.diabetesjournals.org/site/misc/onlinecollections.xhtml>.
