## HEALTH ALERTS

The U.S. Consumer Product Safety Commission (CPSC) has announced recalls of the following products. Consumers should stop using recalled products unless otherwise instructed. For a complete list of recalled products, visit [www.cpsc.gov](http://www.cpsc.gov).

### Children's boots

**Units:** About 21,000

**Importer:** The Timberland Co., of Stratham, N.H.

**Hazard:** The logo stamped on the boot's insoles contains excessive levels of lead, which is toxic if ingested by young children and can cause adverse health effects.

**Description:** The 6-inch classic "scuffproof" boots are wheat-colored leather and sold in toddler size 4 through junior size 7. The model and manufacturer date codes are printed on a white tag inside the boots: model numbers: 34772, 34872 and 34972; date codes: 6456, 6556, 6656, 6756 and 6856.

**Sold at:** Shoe stores and specialty retailers nationwide from June through October 2009 for \$50 to \$70.

**Remedy:** Contact Timberland for free replacement insoles.

**Contact:** Call 800-445-5545 or visit [www.timberland.com](http://www.timberland.com).
