The U.S. Consumer Product Safety Commission (CPSC) has announced recalls of the following products. Consumers should stop using recalled products unless otherwise instructed. For a complete list of recalled products, visit www.cpsc.gov.

Drop-side cribs

Units: About 90,000

Manufacturer: Bassett Furniture Industries Inc., of Bassett, Va.

Hazard: The cribs' drop-side rail can detach from the crib and entrap children.

Description: Bassettbaby drop-side cribs are wood with a metal mattress support. They were sold in a variety of finishes and have external plastic hardware. A label on the footboard or headboard has the model number, production date and other information.

Sold at: Children's product stores and other retailers nationwide and online from January 2000 through August 2010 for \$200 to \$500.

Remedy: Stop using drop-side cribs, find an alternate, safe sleeping environment for the child and contact Bassettbaby for a free repair kit.

Contact: Call 800-308-7485 or visit www.bassettbaby.com.
