Health Alerts

The U.S. Consumer Product Safety Commission (CPSC) has announced the recall of the following products. Consumers should stop using recalled products unless otherwise instructed. Consumers can submit reports of harm to CPSC's new searchable online product safety database at www.SaferProducts.gov. A searchable food and medical product recall database is available at www.fda.gov/Safety/Recalls/default.htm.

Wooden toys

Units: About 31,000

Distributor: International Playthings LLC, of Parsippany, N.J.

Hazard: The toys can break into small pieces with sharp points, and children can choke on them or cut themselves.

Description: These wooden, brightly painted toy vehicles and play sets include a farm, fire station, police car, roadster, off-roader, fire truck and school bus. "Tumblekins" and manufacturing codes "171111461502" or "346101461502" are printed on the toys.

Sold by: Juvenile product stores, mass merchandisers and other stores nationwide and on various websites from March to December 2011 for \$14 to \$35.

Remedy: Contact International Playthings for a free replacement toy.

Contact: Call 800-445-8347
