### Pharmacokinetic Properties of a Sufentanil Sublingual Tablet Intended to Treat Acute Pain: Erratum

In the May 2018 issue on page 946, the first sentence of the second paragraph of the “Compartmental Population Analysis” section is incorrect. The incorrect sentence is: “Referenced to the median weight of 80 kg, a 1-kg increase in weight increased clearance 1.0% (fig. 5).” The correct sentence is: “Referenced to the median weight of 80 kg, a 1-kg increase in weight increased clearance 0.5% (fig. 5).”

The authors regret the error. The online version and PDF of the article have been corrected.
