

NEWS NOTES

**INTERNATIONAL MEETING ON
ATHEROSCLEROSIS**

The Third International Symposium on Atherosclerosis will be held October 25-28, 1973, in West-Berlin, Germany, under the chairmanship of Prof. Dr. G. Schettler, Bergheimer Str. 58, D69 Heidelberg, Germany. Members of the American Diabetes Association who will serve on the program committee are Yoshio Goto, M.D., Hirosaki, Japan, and Daniel Steinberg, M.D., Ph.D., La Jolla, California.

PERSONALS

MARGARET J. ALBRINK, M.D., Morgantown, West Virginia; GRACE A. GOLDSMITH, M.D., D.M.Sc., New Orleans; and CAMPBELL MOSES, JR., M.D., New York, participated in the Fifty-fifth Annual Meeting of The American Dietetic Association held in New Orleans October 9-13. Dr. Albrink presented "Hypertriglyceridemia"; Dr. Goldsmith, "Nutrition and World Health"; and Dr. Moses, "Exogenous vs. Endogenous Cholesterol."

GEORGE A. BRAY, M.D., DAVID L. RIMOIN, M.D., PH.D.,

both of Torrance, California, and DAVID H. SOLOMON, M.D., Santa Monica, will be participants in a postgraduate course of the American College of Physicians, entitled "Advances in Diagnosis and Treatment in Clinical Medicine." The course will be given December 4-8 by the University of California, Los Angeles, Harbor General Hospital of Torrance, and St. Mary's Long Beach Hospital. Meeting place will be the Disneyland Hotel in Anaheim, California. Dr. Bray will present "Tolbutamide—Boon or Bane in the Treatment of Diabetes?," and Dr. Rimoin, "Genetic Forms of Growth Hormone Deficiency." Dr. Solomon will be luncheon speaker on Monday, December 4.

NOTE OF CORRECTION

We deeply regret that, due to a postal error of notification, the name of Dr. Mario Campagnoli was incorrectly listed in the necrology of the July issue of this Journal. Prof. Dr. Campagnoli may be reached at his new address, Arenales 1497, 10° Piso, Buenos Aires, Argentina, S.A.

NECROLOGY

ELWOOD HALL MACPHERSON, Millburn, New Jersey, born December 20, 1897.
