

## NEWS NOTES

### INTERNATIONAL MEETING OF ENDOCRINOLOGY

The Fourth International Meeting of Endocrinology, entitled "Regulation of the Adipose Tissue Mass," will be held in Marseille, France, July 10-13, immediately preceding the Eighth Congress of the International Diabetes Federation in Brussels, Belgium, July 15-20. Further information may be obtained from Dr. Jean Boyer, General Secretary, Clinique Endocrinologique, Hôpital de la Conception, 144, rue Saint-Pierre, 13005 Marseille, France.

### PAN-AMERICAN POSTGRADUATE COURSE IN DIABETES

The Second Pan-American Postgraduate Course, entitled "Diabetes Mellitus in General Medicine," was given November 27-30 at the Assembly of the National Medical Center in

Mexico City. The Course was presented by the Joslin Diabetes Foundation, Harvard Medical School and the Autonomous National University of Mexico.

### PERSONALS

JOHN K. DAVIDSON, M.D., PH.D., and MARIO DiGIROLAMO, M.D., both of Atlanta, will take part in a postgraduate course of the American College of Physicians entitled "Three Days of Liver Disease," to be held January 8-10 at Emory University School of Medicine in Atlanta. Dr. Davidson will present "Cirrhosis and Diabetes," and Dr. DiGirolamo, "The Effect of Ethanol on Carbohydrate and Lipid Metabolism." In a "Meet the Professor" round-table discussion, Dr. Davidson will discuss "Diabetes," and Dr. DiGirolamo, "Lipid Metabolism."

### NECROLOGY

ROCCO C. ABBATE, Warwick, Rhode Island, born in 1894.
