TENTH RESEARCH SYMPOSIUM IN CHICAGO OCTOBER 12-13

The American Diabetes Association will hold its Tenth Research Symposium, entitled "Cell Membranes: Structure and Behavior," at The Drake in Chicago, Illinois, October 12-13. Rachmiel Levine, M.D., Duarte, California, is Director, and Arnold Lazarow, M.D., Ph.D., Minneapolis, Co-Director. The Symposium is a project of the Committee on Research of which Dr. Levine is Chairman, and Dr. Lazarow, Vice Chairman. Fee for the Symposium is \$50.00. Fellows, residents and interns in a training status who have not completed five years of formal training may register for a fee of \$25.00.

TWENTIETH POSTGRADUATE COURSE IN SAN FRANCISCO JANUARY 22-24

"Diabetes in Review: Clinical Conference 1973," the Twentieth Postgraduate Course of the American Diabetes Association, will be held at The St. Francis Hotel in San Francisco, California, Monday through Wednesday, January 22, 23 and

24. The program will be published in *DIABETES* and will be mailed separately in the fall to all Members and Journal subscribers as well as to most internists, general practitioners and other interested physicians throughout the country.

From 4:30 to 5:30 on Monday and Tuesday afternoons, there will be twelve simultaneous Workshops entitled as follows: "Management of Different Comas in Diabetes," "Hypoglycemia," "Management of the Prematurity Onset Diabetic," "Management of the Adult Type Diabetic," "Management of the Obese Diabetic," "Office Management of the Diabetic in General," "Management of Diabetic Neuropathy," "Management of Diabetic Nephropathy," "Management of Diabetic Retinopathy," "Management of Ischemic Vascular Disease of the Extremities," "Management of the Hyperlipidemic Patient," and "Social Problems in Diabetes: Insurance and Marriage."

The Course is an activity of the Committee on Professional Education of which Karl E. Sussman, M.D., Denver, is Chairman. Peter H. Forsham, M.D., San Francisco, is Director of the Course, with Gerald M. Reaven, M.D., Palo Alto, and George B. Robson, M.D., San Francisco, Co-Directors. Fee is \$100 for Members of the Association and \$125 for nonmembers.

NOVEMBER 15 DEADLINE FOR APPLICATIONS FOR RESEARCH AND DEVELOPMENT AWARDS

Applications for Research and Development Awards for the academic year 1973-1974, designed to assist exceptionally promising young investigators in their transition to the level of established investigators, *must be postmarked on or before Nov. 15, 1972*. Notification of Awards will be made by February 15.

The first and second highest rated applicants will receive the Elliott P. Joslin and Solomon A. Berson Research and Development Awards respectively. The recipients of these awards may have such designations for only one year, even though granted a Research and Development Award for a second year.

The following policies have been established by the Committee on Research:

Eligibility

Applicants must be members of University-affiliated institutions within the United States and U.S. possessions. Applicants should have had three years of relevant research experience with publications; residency training is not considered the equivalent of research experience.

The Committee on Research will give special consideration to the following:

1. Intent of applicant to pursue a full-time academic career.
2. Tangible evidence of research performance.

Stipend

The stipend will be \$12,000 per year plus the customary fringe benefits of the sponsoring institution, provided the recipient of the award qualifies for such benefits. If the award is renewed for one year, there is an increase of \$1,000, and any aforementioned customary benefits of the sponsoring institution. Recipients are required to devote 90 per cent of their time to research activities; an institution may supplement the salary in accordance with the standards of the respective institution.

Payments will be made on the 15th of each month to the sponsoring institution.

Term

The awards will be made for one academic year, July 1 through June 30. Candidates may apply on a competing basis for a one-year-renewal period.

Submission of Applications

The sponsoring institution shall submit the application on behalf of the applicant. The application must be routed through the usual administrative channels of the sponsoring institution and include endorsement of the applicant's preceptor and the department head. Except for renewal applications, an institution may submit only one application per year. A statement of the institution's plans for the applicant's future career must be included.

It is required that the institution submit details and precise amount of its fringe benefit program as applicable to a salary of \$12,000.

Eleven copies of the application, as well as all supporting material, *must be postmarked no later than November 15* of the year preceding the academic year in which the award is desired. Notification of awards will be made by February 15.

The applicant's name and address should be written on the front of the enclosed postal card and returned with the application. It is necessary that this card accompany the application so that acknowledgment can be made to the applicant.

Institutional Overhead

It is understood that institutional expenses are *not* to be a part of the award.

Travel and Relocation

Expenses of travel and relocation are *not* reimbursable.

Application Forms

Forms may be obtained from: Mr. J. Richard Connelly, Executive Director, American Diabetes Association, Inc., 18 East 48th Street, New York, New York 10017.

DECEMBER 1 DEADLINE FOR LILLY AWARD APPLICATIONS

The 1973 Lilly Award will be given at the Thirty-third Annual Meeting of the American Diabetes Association. The following stipulations govern the contest for this annual award, which is supported by Eli Lilly and Company and consists of \$1,000 and a medal.

Purpose: To recognize demonstrated research in the field of diabetes, taking into consideration independence of thought and originality.

Eligibility: Any investigator in an appropriate field of work, closely related to diabetes, who is less than forty years of age on January 1 of the year in which the award is made. The research will not necessarily be judged in comparison to the work of more mature and experienced workers. The candidate should be a resident of the United States or Canada.

Nomination: Nominations for the award will be solicited from the Members of the American Diabetes Association. Such nominations will be requested by repeated notices to be published in DIABETES. Names of nominees must be received before December 1 of the year preceding the award. The nomination should be accompanied by full information concerning the nominee's personality, training and research work. Eleven copies of each item should be submitted. No Member may send in more than one nomination. A list of the nominee's publications, if any, and eleven copies of the publication or manuscript for which the award is to be given should also accompany the nomination. The award may be given for work published during the year prior to December 1 of the year preceding the award. The nominee should be actively engaged at that time in the line of research for which the award is to be made.

Announcement: The name of the winner will be announced in DIABETES. The winner will be invited to present a paper on his work at the Annual Meeting. Papers considered for the award must be submitted with the idea that they will be published in whole or in part in DIABETES if found acceptable to the Editor and/or Editorial Board. If the Committee should decide that no outstanding work has been presented for this consideration, the award will not be made.

Award: In addition to the monetary award and medal, traveling expenses will be given to make it possible for the recipient to receive his award in person at the Annual Meeting.

DIABETES WEEK IS NOVEMBER 12-18

Diabetes Week this year will be November 12-18, following the usual practice of observing Diabetes Week the week before Thanksgiving. Affiliate Associations and Committees on Diabetes of County and State Medical Societies are urged to note this date in making plans for their Public Education and Detection programs.

NEWS OF AFFILIATE ASSOCIATIONS

The DIABETES ASSOCIATION OF GREATER CHICAGO will hold its Fifteenth Annual Symposium on Diabetes Mellitus at the Holiday Inn, One South Halsted Street, Chicago, Illinois, on Friday, November 17. "Diabetic Complications—Recent Developments" will be the theme of the symposium. The Sixteenth Rollin Turner Woodyatt Memorial Lecture will be delivered by Stefan S. Fajans, M.D., Ann Arbor, Immediate

Past President of the American Diabetes Association, who will be introduced by Arthur R. Colwell, Sr., M.D., Chicago, also a Past President. Dr. Fajans' topic will be "Basement Membrane Thickening in Diabetes Mellitus: Critical Review and Findings in Latent Diabetes."

Other speakers and their subjects will be: Albert I. Winegrad, M.D., Philadelphia, "The Polyol Pathway and the Complications of Diabetes"; Sheldon Berger, M.D., Chicago, "Hyperosmolar Nonketotic Coma"; Frederick C. Goetz, M.D., Minneapolis, "Experiences with Organ Transplantation in Human Diabetes Mellitus."

A series of workshops will also be held to provide an opportunity for those in attendance to discuss special problems or questions about diabetes.

Enrollment is free for members of the Diabetes Association of Greater Chicago or the American Diabetes Association, and for medical students and resident house staff members and nurses. The fee for non-members is \$10.00. Dietitians who register will pay \$5.00, except for dietetic interns and dietetic trainees. Registration must be made in advance.

Inquiries may be addressed to: Diabetes Association of Greater Chicago, 620 N. Michigan Ave., Chicago, Ill. 60611.

The INDIANAPOLIS DIABETES ASSOCIATION held a meeting on Thursday, September 14, at which Ronald A. Arky, M.D., spoke on "Hypoglycemia." Dr. Arky is Chief of the Division of Medicine, Mount Auburn Hospital, Cambridge, Massachusetts.
