

EDITOR'S NOTE**diabetes**

A Special Thanks to the Reviewers of *Diabetes*

Diabetes calls on thousands of scientific and medical experts each year to review manuscript submissions. The editors of *Diabetes* sincerely appreciate the efforts of all of our reviewers, who volunteer their time and expertise to provide valuable feedback to ensure the consistently high quality of the research published in each issue. The names of every reviewer are too numerous to list here, but we would like to recognize the “top” reviewers—based on the number of reviews completed, timeliness, reliability, and quality—for their outstanding contributions and dedication to *Diabetes*.
