In the original version of this article (1), errors exist in two figures: in Fig. 5H, the LT+mPik-Ext and KO+mPik-Ext DAPI stainings were switched while the merged images are correct, and in Fig. 7H, the flow cytometry dot plot of HCC Blood was also used as a representative dot plot of HCC TILs. These errors have been corrected in the latest online HTML and PDF versions of the article. The authors regret these errors.
