

NEWS OF AFFILIATE ASSOCIATIONS

The DIABETES ASSOCIATION OF SOUTHERN CALIFORNIA, in cooperation with the School of Medicine, University of California, San Diego, and the Scripps Clinic and Research Foundation, will present the First Southwestern Symposium entitled "Diabetes: Office and Clinic Management" April 27-28 at the Sheraton Harbor Island Hotel in San Diego.

Topics to be discussed at the Symposium include the following: "Magnitude of the Diabetes Problem"; "Pathophysiology of Diabetes Mellitus"; "Detection/Diagnosis—Current Practice"; "Patient-Teaching Programs"; "Initiation of Therapy"; "Diet and Diet Therapy"; "Outpatient Management"; "Hospitalization—When Necessary; Advantages"; "The Diabetic and Surgery"; "Obstetrics and the Diabetic"; "Coma Occurring in the Diabetic"; "Diabetic Nephropathy—New Hope"; "Hypoglycemia"; "Chronic Complications and Their Therapy"; "New Horizons—Recent Developments."

Faculty will include: Buris R. Boshell, M.D., Birmingham, Alabama; Angela Bowen, M.D., Tacoma; Max Ellenberg, M.D., New York; Donnell D. Etzwiler, M.D., Minneapolis; H. Howard Goldstein, M.D., Boston; Edgar A. Haunz, M.D., Grand Forks; Thomas H. Lambert, M.D., La Jolla; Rachmiel Levine, M.D., Duarte, California; Leona V. Miller, M.D., Los Angeles; Russell L. Poucher, M.D., Whittier, California; Lawrence H. Power, M.D., Detroit; Gerald M. Reaven, M.D., Palo Alto; Holbrooke S. Seltzer, M.D., Dallas; Charles R. Shuman, M.D., Philadelphia; and Daniel Steinberg, M.D., Ph.D., La Jolla.

The WISCONSIN DIABETES ASSOCIATION will hold a meeting at the headquarters of Northwestern Mutual Life Insurance Company in Milwaukee on February 28, beginning at 6:00 p.m. George F. Cahill, Jr., M.D., of Boston, will deliver the annual guest lectureship. Dr. Cahill, who is Professor of Medicine at the Harvard Medical School and Director of the Elliott P. Joslin Research Laboratories, will speak on metabolic perspectives in diabetes and related disorders. Advance registration is required. Further information may be secured from the Wisconsin Diabetes Association, 225 East Michigan Avenue, Milwaukee, Wisconsin 53202.

NEWS NOTES

INTERNATIONAL SEMINAR ON CARDIOVASCULAR EPIDEMIOLOGY

The Council on Epidemiology and Prevention of the International Society of Cardiology will hold its Sixth Ten Day International Teaching Seminar on Cardiovascular Epidemiology at Orsay, France, September 2-14, in association with the World Health Organization. Up to thirty Fellows can be accepted. Nominees should be at the postdoctoral level, with some residency training or its equivalent, and should have a particular interest in cardiovascular epidemiology. Final selection will be made by the Council's Seminar Committee. Limited funds may be available to pay for room and board during the Seminar and to give partial assistance with travel costs for accepted Fellows. Fluency in English is essential.

Nominations should be submitted by chiefs of departments or institutions, and be accompanied by a personal letter of application interest in the nominee, together with his curriculum vitae. The deadline for applications is April 1. They should be sent to: Jeremiah Stamler, M.D., Secretary, Council on Epidemiology and Prevention, I. S. C., c/o Northwestern University Medical School, Ward Building—Room 9-105, 303 East Chicago Avenue, Chicago, Illinois 60611.

PERSONALS

ROSALYN S. YALOW, PH.D., Bronx, New York, will be a member of the guest faculty of a postgraduate course of the American College of Physicians, entitled "Clinical Gastroenterology." The course will be given at the University of Michigan Medical School in Ann Arbor, February 26-March 2. Dr. Yalow will present "Applications of Radioimmunoassay in Clinical Gastroenterology," and "New Hormonal Forms of Gastrin." She will also participate in a panel on esophageal disease.
