

5. The remaining portion of the grant will be divided among American participants whose free papers have been accepted by the program committee of the Congress, excluding those listed under #4 above. The individual amounts will vary with need but will not exceed \$250.

6. The names and locations of those awarded travel grants will be published in a later issue of *DIABETES*.

NEW MEMBERS

The following were admitted to membership as of March 1.

Professional Members

<i>Arizona</i>	
Raymond F. Graap	Tucson
<i>California</i>	
George R. Halling	Santa Barbara
Hunter Heath, III	San Francisco
Lawrence Samec	Los Angeles
<i>District of Columbia</i>	
Val Abbassi	Washington
Malcolm M. Martin	Washington
Helena Pretorius Selawry	Washington
<i>Illinois</i>	
David L. Horwitz	Chicago
Edward D. Murphy	Evanston
<i>Indiana</i>	
Jaime A. Davidson	Indianapolis
<i>Massachusetts</i>	
Aubrey E. Boyd, III	Natick
Andres C. Lara	Boston
<i>Minnesota</i>	
Thomas D. Maher	St. Paul
<i>Mississippi</i>	
Jeanne R. Bonar	Jackson
<i>New Jersey</i>	
Suat Akgun	East Orange
<i>New York</i>	
Bernard S. Feinberg	New York
Ching-Hui Wu	Upton
<i>Pennsylvania</i>	
Subhash C. Gulati	Philadelphia
Thorsten Stephan	Pittsburgh
Other Countries	
<i>Canada</i>	
Bernard Zinman	Toronto, Ontario
<i>Iran</i>	
Vahab Fatourechi	Teheran
<i>Japan</i>	
Yasunori Kanazawa	Tokyo
<i>Philippines</i>	
Leland S. Villadolid	Makati, Rizal
<i>Spain</i>	
Jose Marco	Madrid
Allied Health Professional Members	
<i>Arizona</i>	
Dennis B. Noss	Phoenix
<i>Arkansas</i>

NEWS OF AFFILIATE ASSOCIATIONS

The GREATER AKRON AREA DIABETES ASSOCIATION will present its Sixth Annual Postgraduate Seminar on Diabetes Mellitus in the Akron City Auditorium on April 25. The program, which will begin at 8:30 a.m., will include the following papers: "Hyperlipemia in Diabetes Mellitus," Rex L. Clements, M.D., Birmingham, Alabama; "Pathophysiology and Treatment of Diabetic Ketoacidosis," George F. Cahill, Jr., M.D., Boston; "Diabetic Neuropathy," Max Ellenberg, M.D., New York; "Obesity and Diabetes," Dr. Cahill; "Treatment of Maturity-Onset Diabetes," Dr. Clements; and "Diabetic Enteropathy," Dr. Ellenberg. A Panel Discussion and Question and Answer Period will conclude the program at 3:30 p.m.

NEWS NOTES

FELLOWSHIPS AVAILABLE

The Solomon A. Berson Fund for Medical Research, Inc., wishes to announce the availability of a limited number of Fellowships for advanced training in biomedical research. These Fellowships are open to qualified applicants possessing an advanced degree (M.D. or Ph.D.) without regard to sex or nationality. The Fellowships are for one year, extendable for another, and will be spent at the Bronx Veterans Administration Hospital under the supervision of Dr. Rosalyn Yalow. Application forms and additional information may be obtained from the Fellowship Office, c/o Dr. Rosalyn Yalow, Solomon A. Berson Research Laboratory, Veterans Administration Hospital, Bronx, New York 10468.

The deadline for receipt of applications is July 1, 1973, for Fellowships to begin in the fall of 1973.

ASSOCIATION MEMBERS PARTICIPATE IN POSTGRADUATE COURSE

Buris R. Boshell, M.D., Robert A. Kreisberg, M.D., Sumer Pek, M.D., Alan M. Siegal, M.D., all of Birmingham, and Norbert Freinkel, M.D., of Chicago, will take part in a postgraduate course of the American College of Physicians to be held March 19-23. Entitled "Four and One-half Days of Internal Medicine: What's New?," the Course will be held at the University of Alabama Medical Center in Birmingham. These participants are Members of the American Diabetes Association. Dr. Boshell will be moderator of a morning session on March 20, during which Dr. Freinkel will present a State of the Art Lecture in Endocrinology and Metabolism, entitled "What's New in Human Intermediary Metabolism and Regulation of Metabolic Fuels." It will be followed by a panel discussion, "New Concepts in Endocrinology and Metabolism," with Dr. Boshell as Moderator, and Drs. Freinkel, Kreisberg, Pek, R. A. Reynertson and Siegal as participants.
