

NEWS NOTES

CLASSES IN DIABETES

The Diabetes Education Center in Minneapolis is presenting a program for physicians, nurses, dietitians, and other health professionals working with patients who have diabetes mellitus. The course includes five days of intensive instruction in the team approach to management of diabetes in an outpatient setting. Classes are scheduled for the weeks of September 9, September 23, October 7, October 21, November 4, November 18 and December 9. Further information may be obtained from Helen Bowlin, R.N., Allied Health Coordinator at the Diabetes Education Center, 4959 Excelsior Boulevard, Minneapolis, Minnesota 55416.

DIABETES SEMINAR AT LOMA LINDA

The fourth annual seminar in "The Care and Teaching of Diabetics" for nurses, dietitians and social workers will be held at Loma Linda University Medical Center in Loma Linda, California, November 11-12. Charles H. Brinegar, Jr., M.D., is Director of the program. Jerome M. Feldman, M.D., Durham, North Carolina, and Patricia A. Lawrence, R.N., Chapel Hill, North Carolina, will be featured speakers. Further information may be obtained from the Department of Education and Training, B108, Loma Linda University Medical Center, Loma Linda, California 92354.

JEROME W. CONN SYMPOSIUM

Jerome W. Conn, M.D., Distinguished Physician of the Veterans Administration and Distinguished University Professor of Internal Medicine of the University of Michigan, will be honored by a symposium to be held October 18 in the University Hospital Amphitheatre. Dr. Conn, a past President of the American Diabetes Association, was Head, Division of Endocrinology and Metabolism, and Director, Metabolism Research Unit of the University from 1943 to 1973. Scientific papers will be presented by fifteen physicians who formerly were associated with Dr. Conn. A Banquet honoring Dr. and Mrs. Conn will be held the same evening in the Vandenberg Room of the University of Michigan League. Further details of the Symposium may be obtained by directing inquiries to the Division of Endocrinology and Metabolism, C7204, University of Michigan Hospital, Ann Arbor, Michigan 48104.

BERSON MEMORIAL

The *Israel Journal of Medical Sciences*, Volume 10, Number 10, 1974, is dedicated to the memory of Dr. Solomon A. Berson and comprises scientific articles on heterogeneity of polypeptide hormones and closely related subjects. David Rabinowitz, M.D., and Jesse Roth, M.D., of the National Institutes of Health in Bethesda, Maryland, are guest editors.

NECROLOGY

HARRY S. LEVINE, Brooklyn, New York, born July 24, 1900.
THEODORE F. TREUTING, New Orleans, Louisiana, born December 26, 1917.
