DIABETES MONTH

As mentioned before, the traditional Diabetes Week will expand this year, and November is Diabetes Month.

AWARDS AND INVESTIGATORSHIPS

November 15 is the deadline for applications for the 1976-77 Research and Development Awards and for Established Investigatorships. December 1 is the deadline for applications for the 1976 Lilly Award. For requirements see the July JOURNAL or write to the Association.

TWENTY-THIRD POSTGRADUATE COURSE

The Association's Twenty-third Postgraduate Course, "Diabetes in Review: Clinical Conference 1976," will be held at the Sheraton-Boston Hotel January 28-30, 1976. The program is being developed by J. Stuart Soeldner, M.D., Boston, Director of the course. A one-day session, "Standards for Patient Education Programs," will be presented on Saturday, January 31.

NEWS OF AFFILIATE ASSOCIATIONS

The SOUTHERN CALIFORNIA AFFILIATE, in cooperation with Geigy Pharmaceuticals, will hold a symposium, "Diabetes Mellitus: An Updated Approach to Diagnosis and Treatment," November 7 and 8 at the Riviera Resort Hotel and Country Club, Palm Springs, California. There is no registration or other fee.

Max Ellenberg, M.D., will be Chairman of the Friday session, "Diagnosis," whose speakers will be Richard J. Mahler, M.D., Eisenhower Medical Center, Palm Desert (Welcoming Address); Rachmiel Levine, M.D., City of Hope Medical Center, Duarte, California ("The Diagnosis of Diabetes: Past, Present, and Future"); Peter H. Forsham, M.D., University of California Medical Center, San Francisco ("Diabetes Mellitus. A Multi-Hormonal Disease"); John W. Ensink, M.D., University of Washington School of Medicine, Seattle ("The Role of Glucagon in Diabetes Mellitus and 'Stress' States"); and Dr. Ellenberg, who will moderate the Speakers' Dialogue and Plenary Session: "Diagnostic Considerations of Diabetes Mellitus, 1975."

The Saturday session, "Treatment," will be under the chairmanship of Russell L. Poucher, M.D., Los Angeles. Speakers will be Alexander Marble, M.D., Harvard Medical School, Boston ("Present-Day Views Regarding Oral Agents in the Treatment of Diabetes Mellitus"); Eugene D. Robin, M.D., Stanford University Medical Center ("Lactic Acidosis in Diabetics and Nondiabetics"); Rachmiel Levine, M.D., City of Hope Medical Center ("Current and Ultimate Goals in the Treatment of Diabetes Mellitus"); and Dr. Poucher, Moderator of the Speakers' Dialogue and Plenary Session, "Control of Blood Sugar: Its Effect upon Long-Term Complications in Diabetes."

Physicians may obtain registration cards from Symposium on Diabetes, Box 5186, Riverside, California 92507, and are urged to mail them by October 29.

The DIABETES ASSOCIATION OF SANTA CLARA VALLEY and Stanford University School of Medicine will cosponsor a postgraduate medical course, "Current Topics in Diabetes" at Rickey's Hyatt House, Palo Alto, California, on December 5 and 6, 1975. Eight hours of instruction will be provided to physicians and nurses. Tuition is \$65, and advance registration is requested. Write Diabetes Society of Santa Clara Valley, 2220 Moorpark Ave., San Jose, California 95128.
