

# Errata

**Rook AH, Gelfand JC, Wysocka M, et al. Topical resiquimod can induce disease regression and enhance T-cell effector functions in cutaneous T-cell lymphoma. *Blood*. 2015;126(12):1452-1461.**

On page 1452 in the 17 September 2015 issue, the second author's middle initial is incorrect. The name Joel C. Gelfand should read Joel M. Gelfand. The error has been corrected in the online version, which now differs from the print version.

**Lee W-C, Malleret B, Lau Y-L, et al. Glycophorin C (CD236R) mediates vivax malaria parasite rosetting to normocytes. *Blood*. 2014;123(18):e100-e109.**

On page e102 in the 1 May 2014 issue, there is an error in the text. In the fifth sentence of the second paragraph under the "Erythrocyte receptor-blocking study..." subheading, the final concentration of antibody or Fab fragments reads "1 mg/mL." It should read "50 µg/mL." The error has been corrected in the online full text and PDF.
