DIABETES EDUCATION WORKSHOPS

The Center for Continuing Health Education at Wichita State University in conjunction with the American Diabetes Association and Kansas Regional Diabetes Center will present three, one-week intensive workshops for registered nurses and dietitians involved in teaching, treating, and counseling diabetics and their families entitled "Diabetes Education Update." The one-week didactic session will include the most recent medical and nursing management, problems of aging, ethnic needs, diet methodology and calculation, medications, exercise, stress, and resources and services. The workshops are offered on July 9-13 and September 24-28, 1979. Optional one-week clinical session immediately following the workshop will focus on actual patient teaching, interviewing, and evaluating.

For more information contact Ms. Lin Bertsch, Center for Continuing Health Education, Wichita State University, Wichita, Kansas 67208.

JUVENILE DIABETES CENTER COURSE

A five-day course for health professionals, "Care of Juvenile Onset Diabetes Mellitus," is being sponsored by the Juvenile Diabetes Center—St. Louis Park Medical Center, Minneapolis, Minnesota. Classes are offered on April 9-13, July 9-13, and October 15-19, 1979. Registration is limited.

For further information, please contact Carole Mensing, Health Professional Coordinator, Diabetes Education Center, 4959 Excelsior Boulevard, Minneapolis, Minnesota 55416, (612) 920-6742.

ENDOCRINOLOGY AND METABOLISM COURSE

The University of California School of Medicine in San Francisco will present a program on Endocrinology and Metabolism on July 30-August 3, 1979, at the Hyatt Regency Hotel, San Francisco. This five-day course is designed to alert medical practitioners to new advances, to review current concepts, and to enhance clinical skills in the practical approach to diagnosis and treatment of patients with endocrine or metabolic disease. The program includes an informal poster session and afternoon workshops consisting of case presentations as a format for discussion of diagnosis and therapy. For more information write to Extended Programs in Medical Education, University of California School of Medicine, San Francisco, California 94143.
