SYMPOSIUM ON INSULIN ACTION AND DIVERSITY OF DIABETES

A symposium entitled "Insulin Action and the Diversity of Diabetes" will be held in Melbourne, Australia, in 1980 as a satellite meeting to the Sixth International Congress of Endocrinology.

For more information, contact Professor P. Zimmet, Department of Metabolic Medicine and Epidemiology, Royal Southern Memorial Hospital, P.O. Box 185, Caulfield South, 3162, Australia, or Dr. M. K. Gould, Department of Biochemistry, Monash University, Wellington Road, Clayton, Victoria, Australia.

SECOND INTERNATIONAL CONGRESS OF AUXOLOGY

The Second International Congress of Auxology will be held in Havana, Cuba, on December 10–15, 1979. Auxologists, pediatricians, neonatologists, endocrinologists, anthropologists, nutritionists, geneticists, and other related investigators from different countries will meet to discuss topics in the field of human growth and development. The main subjects of the Congress will be: economic and social development and physical growth; critical stages in child development; and genetic, neuroendocrine, and metabolic factors in growth. The Congress will include plenary sessions, special conferences, symposia, round tables, papers, and posters.

For more information, contact Dr. Julio González, Secretario, Comité Organizador, Instituto de la Infancia, Calle 15 No. 452 esquina a F, Vedado, Habana 4, Cuba.

ANNUAL MEETING OF INTERNATIONAL STUDY GROUP

The Fifth Annual Meeting of the International Study Group of Diabetes in Children and Adolescents (ISGD) will take place on September 20, 1979, in Berlin, following the Workshop on Diabetic Angiopathy in Children (17–19 September). The organizer of both meetings is Dr. Bruno Weber, Universitäts-Kinderklinik, Heubnerweg 6, 1000 Berlin 19, FRG. The two main topics will be The Remission Period and Recent Progress in the

Use of HbA_{1c}. Further information can be obtained either directly from Professor Weber or from the Secretary of the Group, Prof. Zvi Laron, Institute of Pediatric and Adolescent Endocrinology, Beilinson Hospital, Petah Tikva, Israel.

NEW MEMBERS

The following were elected to the Professional Section as of April 1, 1979:

Shirley M. Alexander, R.N., Overland Park, KS
Marie L. Arky, R.N., Wellesley, MA
Jean E. Bates, R.N., Toronto, Canada
Jeanine K. Bauer, Clarendon Hills, IL
Carol A. Callaghan, M.P.H., Lansing, MI
Peggy H. Collins, Lexington, KY
James S. Cornell, Ph.D., Glen Rock, NJ
Geraldine Duffy, R.N., Riverside, IL
Franz Horst Enzmann, Ph.D., Frankfurt-Hoechst, Germany
Susan Kathleen Ferguson, Lexington, KY
Thomas J. Franklin, Berwyn, IL
Robert E. Greenberg, M.D., Albuquerque, NM
Michel N. Haddad, M.D., Kingsport, TN
Karen R. Hanson, R.D., El Dorado, KS
Marjorie H. Hollands, R.P.Dt., Ontario, Canada
Charles G. Hollingsworth, Ph.D., Gaithersburg, MD
Barbara V. Howard, Ph.D., Phoenix, AZ
Antonietta D. Hyche, Birmingham, AL
Yoram Kanter, M.D., Haifa, Israel
Michael S. Kappy, M.D., Baltimore, MD
Jacqueline D. King, R.D., Chicago, IL
Frank C. Kosmakos, Ph.D., Phoenix, AZ
Linda F. Larson, R.N., Iowa City, Iowa
Sylvia M. Lazorick, B.S.N., Williamsville, NY
Ake Lernmark, M.D., Gentofte, Denmark
Elliot G. Levy, M.D., North Miami Beach, FL
Charles T. Montgomery, M.D., Jacksonville, FL
Rene Navarro, M.D., Lake Wales, FL
Jeanie Nestell, R.N., Shawnee Mission, KS
John F. Nicholson, M.D., New York, NY
Patricia M. O'Regan, R.N., New York, NY
Jayantilal C. Patel, M.D., Bricktown, NJ
Delma J. Pearson, R.N., Hutchinson, KS
W. Scott Peterson, M.D., Waterbury, CT
Polly B. Price, Syracuse, NY
Volker Schusdsiam, M.D., Dallas, TX
Satish P. Shah, M.D., Vineland, NJ

Donald A. Smith, M.D., Bronx, NY
Peter W. Stacpoole, M.D., Nashville, TN
Susan B. Stearns, Ph.D., Syracuse, NY
Marjorie B. Sugarman, Rochester, NY
Allen R. Traurig, M.D., Waterbury, CT
Kathryn G. Unger, BSN, Watertown, MA
Nadarajen Vydelineum, Ph.D., Wauwatosa, WI
Paulette Wayland, R.N., Indianapolis, IN
David A. Westbrook, M.D., Dayton, OH
Richard D. Whitman, W. Bloomfield, MI
Linda L. Wyer, BSN, Tulsa, OK
Barbara P. Zabitz, New Hudson, MI

Necrology

HARRY G. JACOBI, M.D., New York, NY, born April 5, 1898.

WORLD CONGRESS: VIENNA

The Tenth World Congress of the International Diabetes Federation will be held at the Hofburg Palace, Vienna, Austria, on September 9–14, 1979. The main topics will be insulin action, exercise and diabetes, pregnancy and diabetes, autoimmunity and genetics in diabetes mellitus, vascular diseases, and islet transplantation and islet cell culture. The official language of the Congress will be English; postgraduate and sociomedical courses will be translated simultaneously into German and French. The Congress program, abstract forms, and registration forms are available. For information, contact the Tenth IDF Congress Secretariat, Bosendorferstrasse 4, A-1010 Vienna, Austria.

Official Travel Agency: Rudolf Kadanka, Reisebüro Mondial, Bösendorferstrasse 4, A-1010 Vienna/Austria. Tel.: 0222/65 66 58-0; Telex: 01/2597 (01/32597 starting spring 1979).

For North America, flight, hotel, itinerary coordination—in cooperation with the American Diabetes Association: Metropolitan Travel Service, Inc., Ernest W. Ruegg, President, 38 Newbury Street, Boston, Massachusetts 02116 USA. Tel.: (617) 536-6638/39/40 (Mon., Wed., Fri. 0830 to 1330; Tue, Thu. (617) 785-0230).

Interested parties should ask Boston for updater 3/16, voiding Nov. 8 and Jan. 19 bulletins.
