Errata

We regret the errors in both papers. With reference to the first paper, the authors offer the following for clarification:

Page 247, Cast No B79-480, Aluminum should be 0.025 percent, not 0.25 percent.
Page 252, equation (4), should read

$$
\dot{\epsilon}_u = \frac{\int_{\epsilon_{\min}}^{\epsilon_{\max}} \frac{d\delta}{\delta} \int_T^t \frac{1}{R} \ln \left(\frac{1}{R}\right)
$$
