ADA SEMINAR

In order to achieve the goals of the American Diabetes Association, the Southwest Louisiana Chapter will conduct a two-day seminar entitled "Live Well Today—Your Future Depends on It" for persons with diabetes, their families, and health care professionals. It will be held at the Lake Charles Civic Center in Lake Charles, Louisiana on April 27–28, 1984. Registration information may be obtained by contacting Mrs. Becky Istre, 707 Iberville, Lake Charles, Louisiana 70605.

THIRD CLINICAL RESEARCH CENTRE SYMPOSIUM

The Third Clinical Research Centre Symposium on "Recent Advances in Substrate and Energy Metabolism in Man" will be held at the Clinical Research Centre, Harrow, United Kingdom on September 17–19, 1984. The major emphasis of the meeting is directed toward recent advances in amino acid and energy metabolism relevant to endocrinology, surgery, and enteral and parenteral nutrition.

Poster abstracts (300 words) must be submitted by June 30, 1984. Information about registration fees can be obtained from Dr. J. S. Garrow, Nutrition Research Group, Clinical Research Centre, Watford Road, Harrow, HA1 3UJ, United Kingdom.

DIABETOLOGIA DISCOUNT

Springer-Verlag, the publishers of *Diabetologia*, are pleased to extend a 30% discount on subscriptions to members of the American Diabetes Association. *Diabetologia* publishes recent reports on clinical and experimental work in the field of diabetes. The subscription price will be \$133.00 (instead of \$188.00), including postage and handling, for Volumes 26–27 (6 issues each). For further information contact Benno Keller, Springer-Verlag New York Incorporated, 175 Fifth Avenue, New York, New York 10010. Tel: (212) 460-1500.

NINTH EUROPEAN SYMPOSIUM ON HORMONES AND CELL REGULATION

The Ninth European Symposium on Hormones and Cell Regulation will be held on September 24–27, 1984, in Sainte-Odile (near Strasbourg), France. Topics to be discussed include second messenger systems, regulation of cation channels and cation transport, molecular controls in cancer, and cell differentiation. Requests for further information should be addressed to Dr. B. Hamprecht, Physiologisch-Chemisches Institut der Universität, Koellikerstrasse, 2, 8700 Wurzburg, Federal Republic of Germany.

ADA DATES TO REMEMBER
