

Salpeter SJ, Khalailah A, Weinberg-Corem N, Ziv O, Glaser B, Dor Y. Systemic regulation of the age-related decline of pancreatic β -cell replication. *Diabetes* 2013;62:2843–2848

In the above-cited article, one funding agency was not identified in the Acknowledgments.

The information, “O.Z. is a New York Stem Cell Foundation–Druckenmiller Fellow,” should have been included in the Acknowledgments.

The online version reflects this change.
