

ERRATA

Charles H. Turner, "Yield Behavior of Bovine Cancellous Bone," *JOURNAL OF BIOMECHANICAL ENGINEERING*, Vol. 111, No. 3, Aug. 1989, pp. 256–260.

Two substantial misprints occurred in the foregoing paper. First, Figs. 2 and 3 were transposed. Figure 2 appeared with the caption for Fig. 3 and Fig. 3 appeared with the caption for Fig. 2.

Second, solid volume fraction was represented in different parts of the text as V_v , ν_v , V_p , and ν_p . All of these symbols should have appeared as V_v .
