

ERRATUM

The paper "Linear Complementary Formulations Involving Frictional Contact for Elasto-Plastic Deformable Bodies" by Maocheng Li, Desong Sha, and K. K. Tamma, which appeared in the March 1997 issue of the ASME *Journal of Applied Mechanics*, contained a typographical error. The last line in the Acknowledgment section (page 88) should have read "R. Namburu, and Jimmy Balsara" (not John Balsara).
