The ADA Washington, D.C. Area Affiliate and the National Institutes of Health will cosponsor the symposium "Diabetes Update—1989" 1 April 1989. The symposium will be held in the ACRF Amphitheatre in the Clinical Center, Building 10 of the National Institutes of Health, Bethesda, Maryland. For more information contact Derek Leroith, MD, PhD, Diabetes Branch, NIDDK, Building 10, 8S-243, National Institutes of Health, 9000 Rockville Pike, Bethesda, MD 20892. Tel.: (301) 496-8090.

OTHER EVENTS

3rd International Diabetes Conference

The 3rd International Diabetes Conference on Tissue-Specific Metabolic Alterations in Diabetes will be held 23–25 February 1989 in Florence, Italy.

The conference will include invited lectures and several short communications, both oral and poster. The proceedings will be published by S. Karger, Basel. The scientific organizers of the conference are F. Belfiore, Catania, and G. M. Molinatti, Turin. For more information contact the Scientific Secretariat, 3rd International Diabetes Conference, c/o Boehringer-Biochemia-Robin, Via S. Uguzzone, 5, I-20126 Milan, Italy.

Combined Organ Procurement Symposium and Pancreatic Transplantation Congress

The 4th International Symposium on Organ Procurement and Preservation and the 2nd International Congress on Pancreatic and Islet Transplantation will be held 17–22 September 1989 in Minneapolis, Minnesota. The Department of Surgery of the University of Minnesota Medical School is sponsoring the event and has issued a call for papers. The deadline for submission of papers is 15 March 1989. For more information contact the Office of CME, University of Minnesota, Box 202, UMMC, 420 Delaware Street Southeast, Minneapolis, MN 55455. Tel.: (612) 626-5525.

Immunotherapy of Type I Diabetes

The 1st International Symposium of the International Diabetes Immunotherapy Group (IDIG) will be held in Rome, Italy, 6–8 April 1989. The symposium is the official meeting of the IDIG and will address all aspects of strategies in the immunotherapy and prevention of type I diabetes. For more information please contact Dr. Paolo Pozzilli, P.O. Box 680, I-00187 Rome, Italy. Tel.: 4952363.

24th Annual Meeting of the German Diabetes Association

The 24th Annual Meeting of the German Diabetes Association will be held 4–6 May 1989. For more information contact Dr. E. Standl, III Med. Abteilung, Krankenhaus München-Schwabing und Forschergruppe Diabetes, Kölner Platz 1, D-8000 Munich, FRG.

International Committee of Diabetes Magazines

The 4th Meeting of the International Committee of Diabetes Magazines will be held 19–21 May 1989. For more information contact Dr. Roberto Lombardi, Federazione Nazionale delle Associazioni Diabetici, Via B. Rucellai 4618, I-20126 Milan, Italy. Tel.: 29(2) 545-8405.

6th International Symposium of Nephrology

The 6th International Symposium of Nephrology at Montecatini will be held 1–3 June 1989 in Montecatini Terme, Italy. The title of the symposium is "Kidney, Proteins, and Drugs." Renal handling of proteins, pathophysiologic mechanisms of proteinuria, and nephrotoxicity of drugs will be emphasized. Guest speakers will be featured. English will be the official language of the symposium. For more information contact Claudio Bianchi, MD, Professor of Nephrology, Centro Nefrologico, Clinica Medica Generale 2, University of Pisa, I-56100 Pisa, Italy.

1st International Congress on Therapy With Amino Acids and Analogues

"Therapy With Amino Acids and Analogues—1st International Congress" will be held 7–12 August 1989 at the University of Vienna. Experimental topics will include resorption, handling, toxicity, and metabolism. Clinical topics will include neurotransmitters, aging, collagen disorders, excitatory amino acids, diabetes, and serotonin antagonists. For more information please contact Barbara Bartosch or Dr. Gert Lubec, University of Vienna, Department of Paediatrics, Währinger Gürtel 18, A-1090 Vienna, Austria. Tel.: 0222-(Vienna)-4800-3232.

Diabetes Pregnancy Study Group Meeting

The Diabetes Pregnancy Study Group will be meeting 26–29 August 1989. For more information contact Claes Hellerström, Biomedicum, Box 571, S-571 23 Uppsala, Sweden.

European Association for the Study of Diabetes Meeting

The Annual Meeting of the European Association for the Study of Diabetes will be held 20–23 September 1989 in Lisbon, Portugal. For more information contact EAED, Auf'm Hennekamp 32, D-4000 Dusseldorf 1, FRG.

7th Congress of the Latin American Diabetes Association

The 7th Congress of the Latin American Diabetes Association will meet 8–14 October 1989. For more information contact Apartado Postal No. 20308, Santo Domingo de Gruzman, D.N., The Dominican Republic. Tel.: (809) 688-1022.

Audiovisual Aids in Diabetes Information Exhibition

The 2nd International Exhibition of Audiovisual Aids in Diabetes Information will be held in April 1990 in Ferrara, Italy. The exhibition will feature a section on slides as well as a section on films and videos. All audiovisual materials on diabetes completed between 1 January 1985 and 31 December 1989 will be considered for presentation at the exhibition. For more information contact Dr. Franco Tomasi, Servizio di Diabetologia, Arcispedale S. Anna, Corso Giovecca 103, I-44100 Ferrara, Italy.

2nd European Congress of Endocrinology

The 2nd European Congress of Endocrinology will be held 1–6 July 1990 in Ljubljana, Yugoslavia. A manufacturers' exhibition of pharmaceutical and biomedical products will be featured at the congress. For more information contact the 2nd European Congress of Endocrinology, Secretariat, Kompas Jugoslavija, Congress Department, Pržakova 4, YU-61000 Ljubljana, Yugoslavia. Tel.: 3861 319-445. Telex: 31209 kompas. Telefax: 3861 319888.

5th World Congress on Diabetes in the Tropics and Developing Countries

The 5th World Congress on Diabetes in the Tropics and Developing Countries will be held 14–16 December 1990 in Karachi, Pakistan. Satellite symposia will be held at Lahore and Peshawar. For more information contact Dr. A. Samad Shera, Chairman, Organizing Committee, Fifth World Congress on Diabetes in the Tropics and Developing Countries, Diabetic Association of Pakistan, 5/E-3, Nazimabad, Karachi-74600, Pakistan. Tel.: 616890. Telex: 23507 tazam pk.
