WEBCASTS FROM DIABETES IS PRIMARY

Free-of-charge webcasts from Diabetes is Primary offer the latest information on the management of diabetes and its complications, practical tips, and proven strategies for improving patient care and translation of the latest diabetes research into clinical practice. For more information, please visit professional.diabetes.org/presentations_details.aspx?session=4564.

ASSOCIATION-FUNDED RESEARCH DATABASE

The American Diabetes Association offers access to a searchable database with useful information on the Association-funded research grants. The database provides an easy way to learn more about the Association's Research Program and the critical and innovative biomedical research made possible through the generous support of donors and sponsors. Explore the database at professional.diabetes.org/researchDB_search.aspx.

DIABETES CORE UPDATE PODCASTS

Diabetes Core Update is a monthly audio podcast devoted to presenting and discussing the latest clinically relevant articles from the American Diabetes Association's scholarly journals. *Diabetes Core Update* audio podcasts are free and can be accessed through iTunes or RSS feed. For more information, please visit diabetesjournals.org/site/podcasts.xhtml.

Diabetes (print ISSN 0012-1797, online ISSN 1939-327X) is owned, controlled, and published monthly by the American Diabetes Association, Inc., 1701 North Beauregard St., Alexandria, VA 22311. *Diabetes* is a registered trademark of the American Diabetes Association. **Periodicals postage** paid at Alexandria, VA, and additional mailing offices. **POSTMASTER:** Send address changes to *Diabetes*, American Diabetes Association, Inc., Journal Subscriptions, 1701 North Beauregard St., Alexandria, VA 22311. Claims for missing issues should be made within 6 months of publication. The publisher expects to supply missing issues free of charge only when losses have been sustained in transit and when the reserve stock permits.
