FOR SIMPLIFIED PRACTICAL TRAINING

B&L TYPE H MICROSCOPE

B&L BALOPTICONS

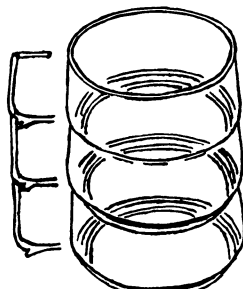

B&L Type H Microscopes are similar in all operating essentials to the instruments used in science and industry; they also are invaluable in familiarizing the student with microscopical technique he may be called upon to use in his business or professional life. For full information send for Catalog D-185.

B&L Balopticons, projecting vivid story telling pictures or diagrams so that an entire group can see, have amply demonstrated their usefulness in teaching students of all ages. For complete specifications of all models write for Catalog E-11. Bausch & Lomb Optical Co., 718 St. Paul St., Rochester, N. Y.

BAUSCH & LOMB
