Acid Rain: Resource Materials for Schools

The Acid Rain Foundation, Inc.

The Acid Rain Foundation, Inc., is a nonprofit organization interested in Education, Public Awareness, and Research relative to acid rain. The Acid Rain Foundation, Inc., has two locations: 1630 Blackhawk Hills, St. Paul, MN 55122 and 103 Enterprise Street, Raleigh, NC 27607. Acknowledgment should be given to George Watts Hill for his continued direction and support of the Foundation's work.

The resources described below are a slightly revised section of a "Resource Inventory" accumulated by the Acid Rain Foundation. These materials are essential for school libraries, media centers, and science and social studies departments. Many of the articles, books and materials have been mentioned elsewhere in this issue.
