

Agents," a panel discussion on "Objectives of Treatment in Diabetes Mellitus," "Conditions Complicating Diabetes Mellitus," and "Chronic Complications of Diabetes Mellitus." Luncheon panel discussions have been arranged for each day.

A Social Hour and Banquet will be held on Wednesday evening, January 30. The Social Hour is by individual subscription; registrants and faculty members are guests of the American Diabetes Association at the Banquet. A humorous address entitled "Public Relations and the Physician" will be given at the Banquet by Dr. Russell B. Roth of Erie, Pennsylvania. The internationally known Ohio State University Symphonic Choir will also entertain. A Social Hour will be given on Thursday, January 31, at 6:30 p.m., to which all registrants and their wives are invited.

Those who plan to attend the Course are urged to register as soon as possible. All inquiries and applications should be addressed to the National Office of the American Diabetes Association.

LILLY AWARD

The following stipulations govern the contest for the annual Lilly Award, supported by Eli Lilly and Company and consisting of \$500 and a gold medal. The first award will be made at the Seventeenth Annual Meeting, June 1-2, 1957.

Purpose: To recognize demonstrated research in the field of diabetes, taking into consideration independence of thought and originality.

Eligibility: Any investigator in an appropriate field of work closely related to diabetes who is less than forty years of age on January 1 of the year in which the award is made. The research will not necessarily be judged in comparison to the work of more mature and experienced workers. The candidate should be a resident of the United States or Canada.

Nominations: Nominations for the award will be solicited from the members of the American Diabetes Association. Such nominations will be requested by repeated notices to be published in DIABETES. Names of nominees will be sent to the Chairman of the Committee on Scientific Awards and must be received before January 1 of the year of the award. The nomination should be accompanied by full information concerning the nominee's personality, training, and research work. Six copies of each item should be submitted. No member may send in more than one nomination. A list of the nominee's publications, if any, and six copies of the publication or manuscript for which the award is to be given should also accompany the nomination. At the discretion of

the Committee on Scientific Awards, the award may be given for work published during the year prior to January 1 of the same year of the award. The nominee should be actively engaged at that time in the line of research for which the award is to be made.

Announcement: The name of the winner will be announced in the program of the Annual Meeting of the Association, and the award presented at that meeting. The winner, subject to the approval of the Committee on Scientific Programs, will be invited to present a paper on the subject of his work. Papers considered for the award must be submitted with the idea that they will be published in whole or in part in DIABETES if found acceptable to the Editor and/or the Editorial Board. If the Committee should decide that no outstanding work has been presented for this consideration, the award will not be made.

Award: In addition to the monetary award and the gold medal, traveling expenses will be given to make it possible for the recipient to receive his award in person at the Annual Meeting.

NOVEMBER 15 RESEARCH FELLOWSHIP DEADLINE

The Committee on Research and Fellowships of the American Diabetes Association plans to award at least one Fellowship for the academic year 1957-58. The deadline for applications is Nov. 15, 1956. Requests for application forms and other inquiries should be addressed to Mr. J. Richard Connelly, Executive Director, who will forward the information to the Committee.

1956-57 MEDICAL STUDENT-INTERN ESSAY CONTEST

The fifth Medical Student-Intern Essay Contest, open to medical students, interns and physicians within two years after their graduation from medical school, is sponsored by the American Diabetes Association. Any subject relating to diabetes and basic metabolic problems may be selected.

A prize of \$250 to the author or authors of the best paper reporting original work, whether laboratory investigation or clinical observation, has been made possible once again through the kindness of the St. Louis Diabetes Association. An award of \$50 will be given for the best review article or case report.

Members of the American Diabetes Association and subscribers to DIABETES are requested to encourage medical students and interns to enter the contest.

The papers will be judged on the basis of value of the material and method of presentation.

ORGANIZATION SECTION

Entrants should submit the original and one copy of their manuscript (four additional copies would be appreciated). The manuscript should be typewritten and double-spaced, and mailed by April 15, 1957, to: Committee on Scientific Awards, American Diabetes Association, Inc., 1 East 45th St., New York 17, N. Y.

NEW MEMBERS

Active

The following were elected as of Aug. 1 and Sept. 1, 1956:

<i>California</i>	Winsor, William G., III	Whittier
<i>Delaware</i>	Briggs, Ward Wright	Wilmington
	Hall, William T.	Wilmington
	Kimble, Leroy R.	Wilmington
	Klingel, Robert L.	Rehoboth Beach
	Resnick, Elton	Wilmington
	Rovitti, Francis P.	Wilmington
<i>Florida</i>	Bogdonoff, Morton D.	Miami
	Stannus, Donald G.	Miami
<i>Illinois</i>	Bruch, Ernest	Rockford
	Koven, Arthur J.	Maywood
	Wu, Jackson S.	Chicago
<i>Indiana</i>	Lewis, George N.	Gary
	Ridolfo, Anthony S.	Indianapolis

NEWS OF
AFFILIATE ASSOCIATIONS

The DIABETES COUNCIL OF THE PUBLIC HEALTH FEDERATION OF CINCINNATI, an Affiliate Association, has established the William H. Muhlberg Lecture in cooperation with the Cincinnati Academy of Medicine and the Union Central Life Insurance Company. The William H. Muhlberg Fund, to be administered by the Public Health Federation, has also been established.

The lecture was named after Dr. Muhlberg, first treasurer of the American Diabetes Association, in recognition of his outstanding contributions in diabetes. It is to be given biennially as the joint meeting with the Academy of Medicine by an eminent teacher, clinician or investigator. The first William H. Muhlberg Lecture will be presented by Francis D. W. Lukens, M.D., Philadelphia, on November 20 this year.

The NEW ENGLAND DIABETES ASSOCIATION held its Annual Meeting on June 19 at Smith House, Cambridge, Massachusetts. The scientific section of the meeting consisted of summaries of outstanding papers given at the Sixteenth Annual Meeting of the American Diabetes Association. The summaries were presented by Frank N. Allan, M.D., Reed Harwood, M.D., Alexander Marble, M.D., and Samuel B. Beaser, M.D.

The NEW JERSEY DIABETES ASSOCIATION in cooperation with the New Jersey State Department of Health will present The Fourth Annual Symposium on Diabetes Mellitus on Wednesday, October 17. The program will be given at the Academy of Medicine of New Jersey, 91 Lincoln Park South, Newark. Otto Brandman, M.D., President, New Jersey Diabetes Association, will open the symposium. Introductory remarks will follow by Louis C. Fritts, M.D., President, The Medical Society of New Jersey. These papers will be given: "The Im-
