CORRIGENDUM

New insights into the structure and function of sedoheptulose-1,7-bisphosphatase; an important but neglected Calvin cycle enzyme (Review article)

C.A. Raines, J.C. Lloyd and T.A. Dyer

The authors apologize for an error in Figure 2. The amino acid residues shown in the last section of the figure should read Cys Gly Gly Thr Ala Cys, not Cys Gly Thr Cys as appears in the published version. The correct version of the figure is printed below.
