

## Erratum

“Extended Bandwidth Zero Phase Error Tracking Control of Nonminimum Phase Systems,” by D. Torfs, J. De Schutter, and J. Swevers, published in the ASME JOURNAL OF DYNAMIC SYSTEMS, MEASUREMENT, AND CONTROL, Vol. 114, pp. 347–351. There was an error in the following figures. The correct figures are printed below:

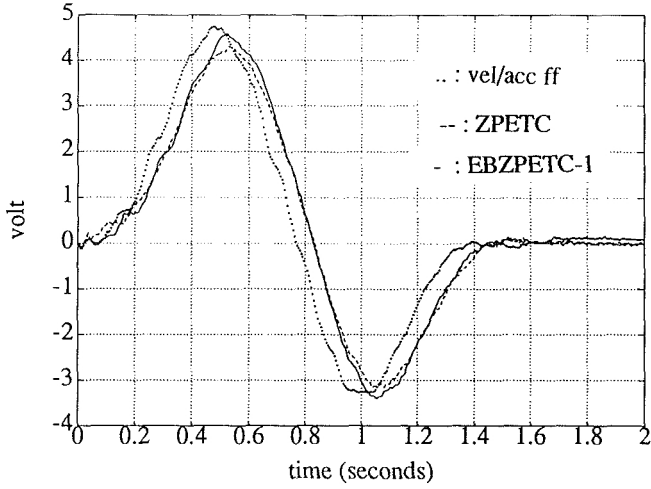

Fig. 5 Comparison of input signals to the motor using velocity and acceleration feedforward, ZPETC, and EBZPETC-1

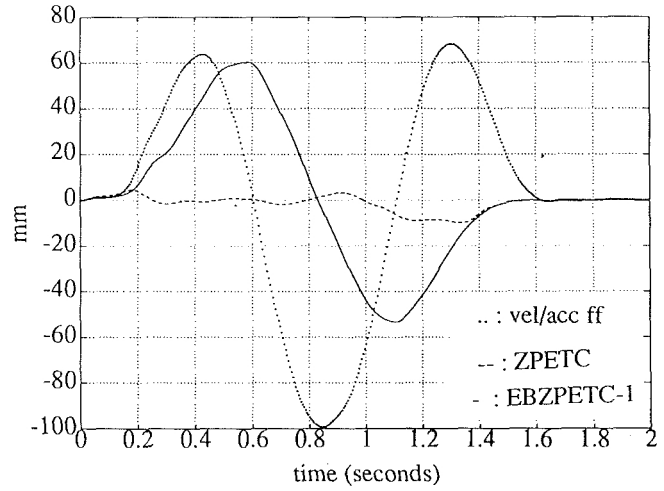

Fig. 6 Comparison of end point tracking errors using velocity and acceleration feedforward, ZPETC, and EBZPETC-1
