

## Correction: Tumor Cells Secrete Galectin-1 to Enhance Endothelial Cell Activity

In this article (Cancer Res 2010;70:6216–24), which was published in the August 1, 2010, issue of *Cancer Research* (1), the *y*-axis of Fig. 4C was labeled incorrectly. Instead of "Rel. wound width", it should read "Rel. wound closure". The authors regret this error.
